THIS PAGE TOP — Scenic overview of the Leonardo Marina on the Northeast end of South's district. BOTTOM — The "old country store" is a familiar landmark in Navesink. OPPOSITE PAGE TOP — One of the many country settings familiar to all of South's students. BOTTOM — Lincroft Village provides a small, but unique shopping area.

Your days are short here.
This is the last of your springs.
And now, in the serenity and quiet
of this lovely place, touch the
depths of truth. Feel the hem.
You will go away with old
good friends.
Don't forget, when you leave,
Why you came.

—Adlai Stevenson

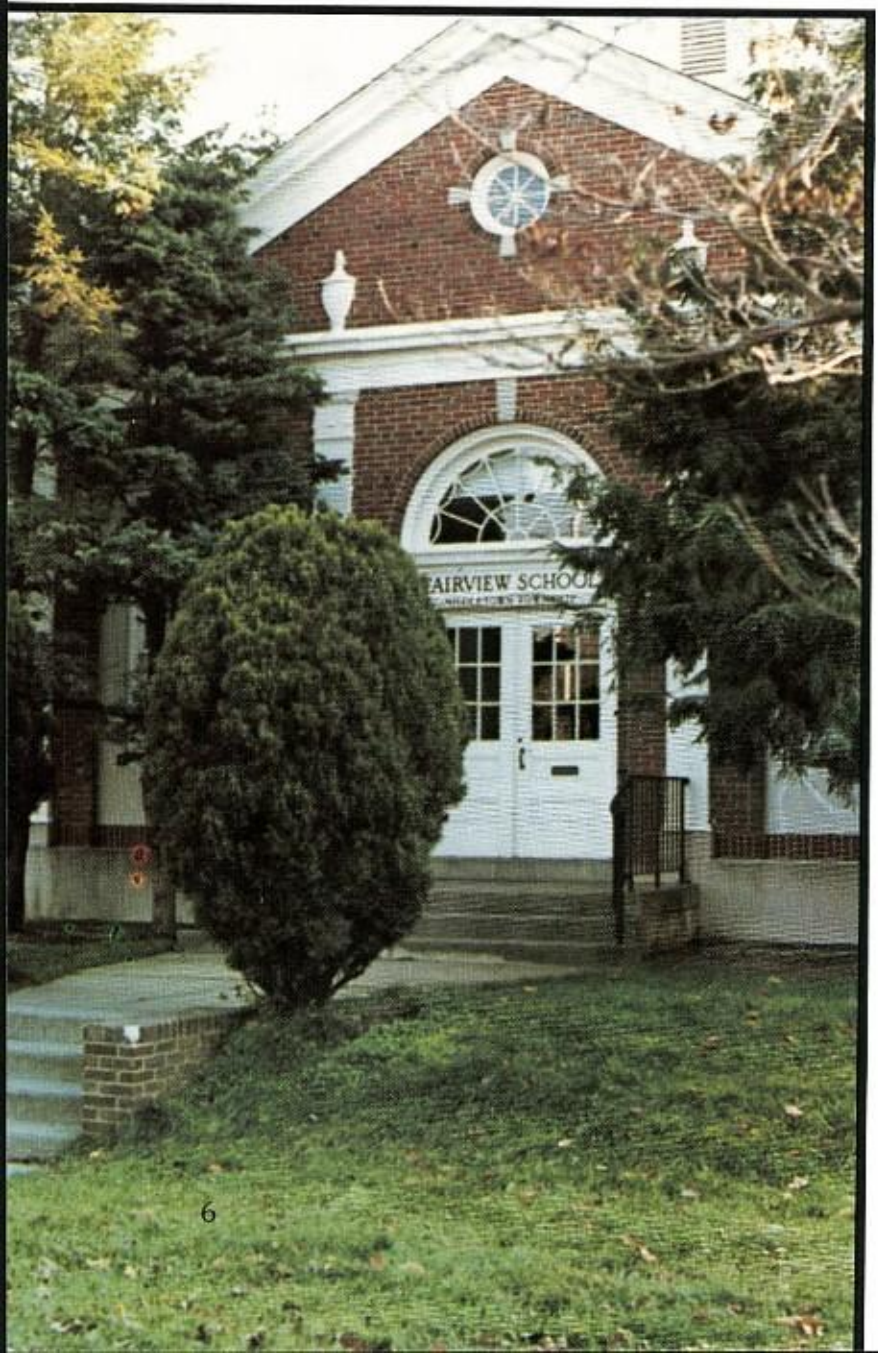

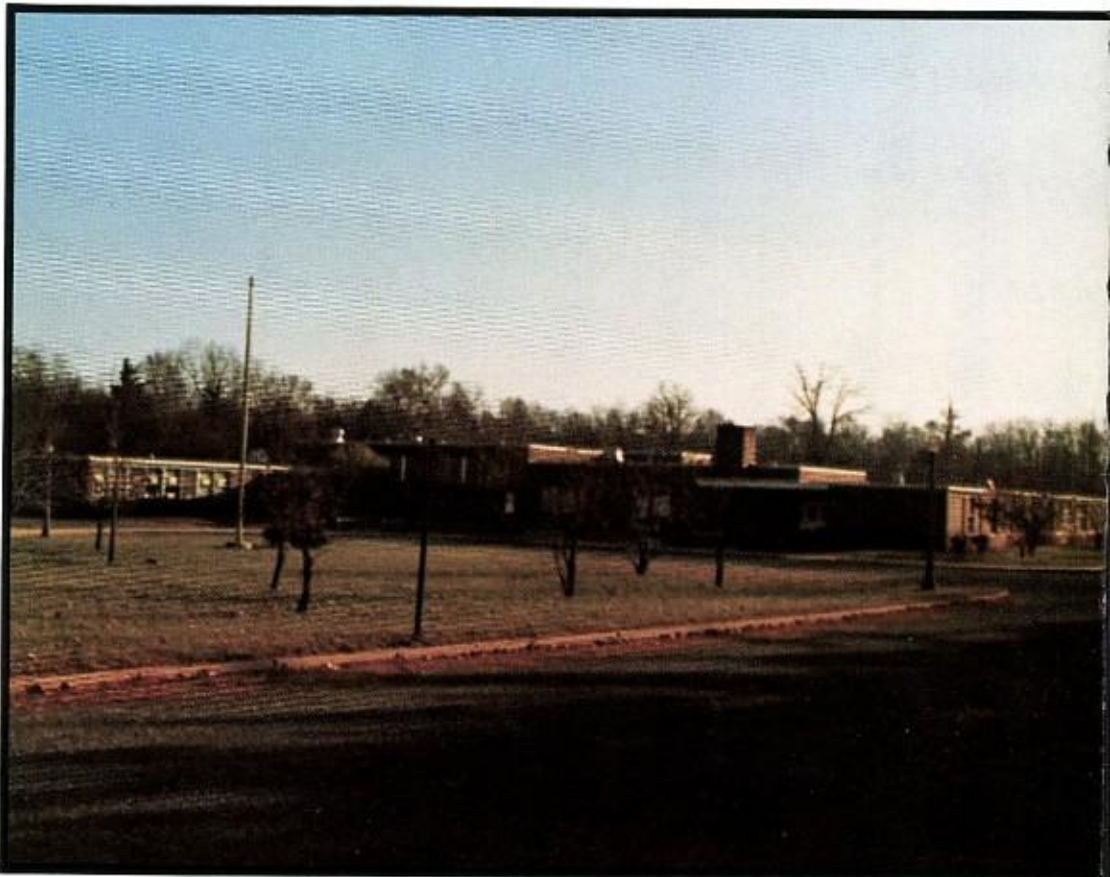

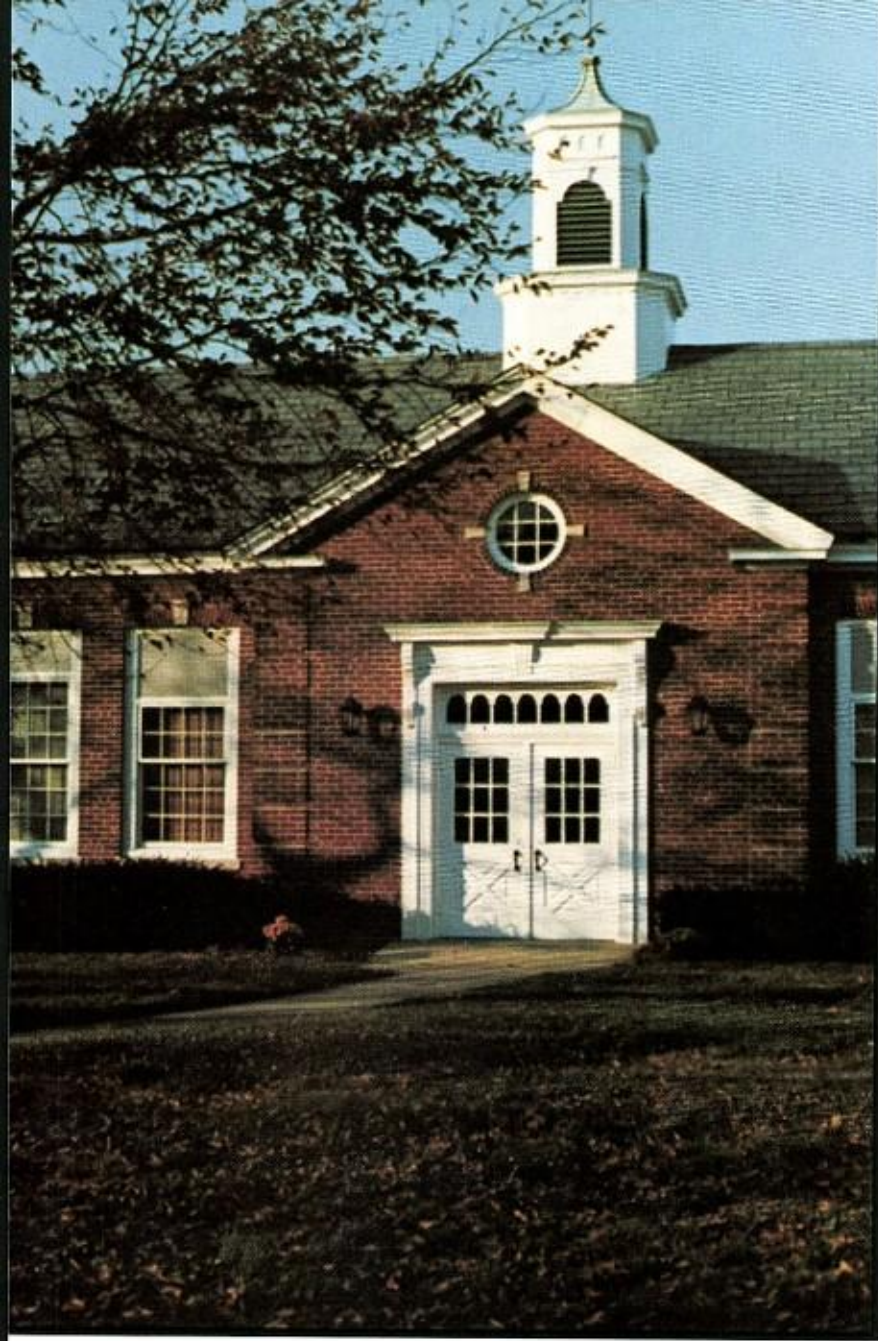

I see the rainbow in the sky, the dew upon
the grass;
I see them, and I ask not why they glimmer
or they pass.
With folded arms I linger not to call them
back; 'twere vain:
In this, or in some other spot, I know they'll
shine again.

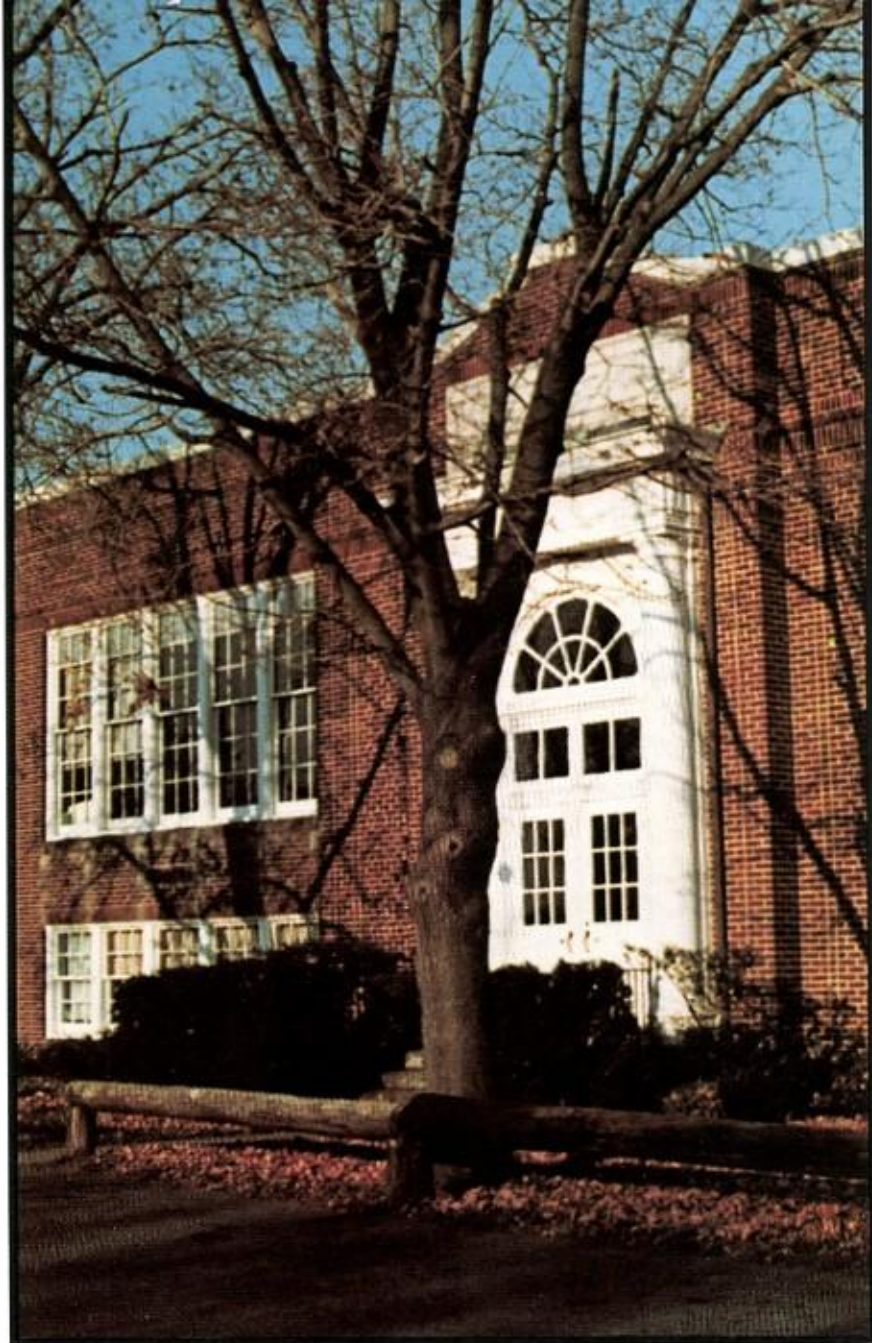

—Walter Savage Landor

OPPOSITE PAGE TOP — Sandy Hook, as viewed from Scenic Drive is South's farthest sending area. BOTTOM — Postal vehicles in Middletown get a daily workout beyond belief as they deliver within a 200 square mile area. THIS PAGE TOP — One of Mother Nature's creatures takes a brief pause from the routine to pose for South's roving photographer. BOTTOM — A barren Campbell's Junction early on a Sunday morning.

The entire object of true education is to make people not merely to do the right things, but enjoy them; not merely learned, but to love knowledge; not merely pure, but to love purity; not merely just, but to hunger and thirst after justice.

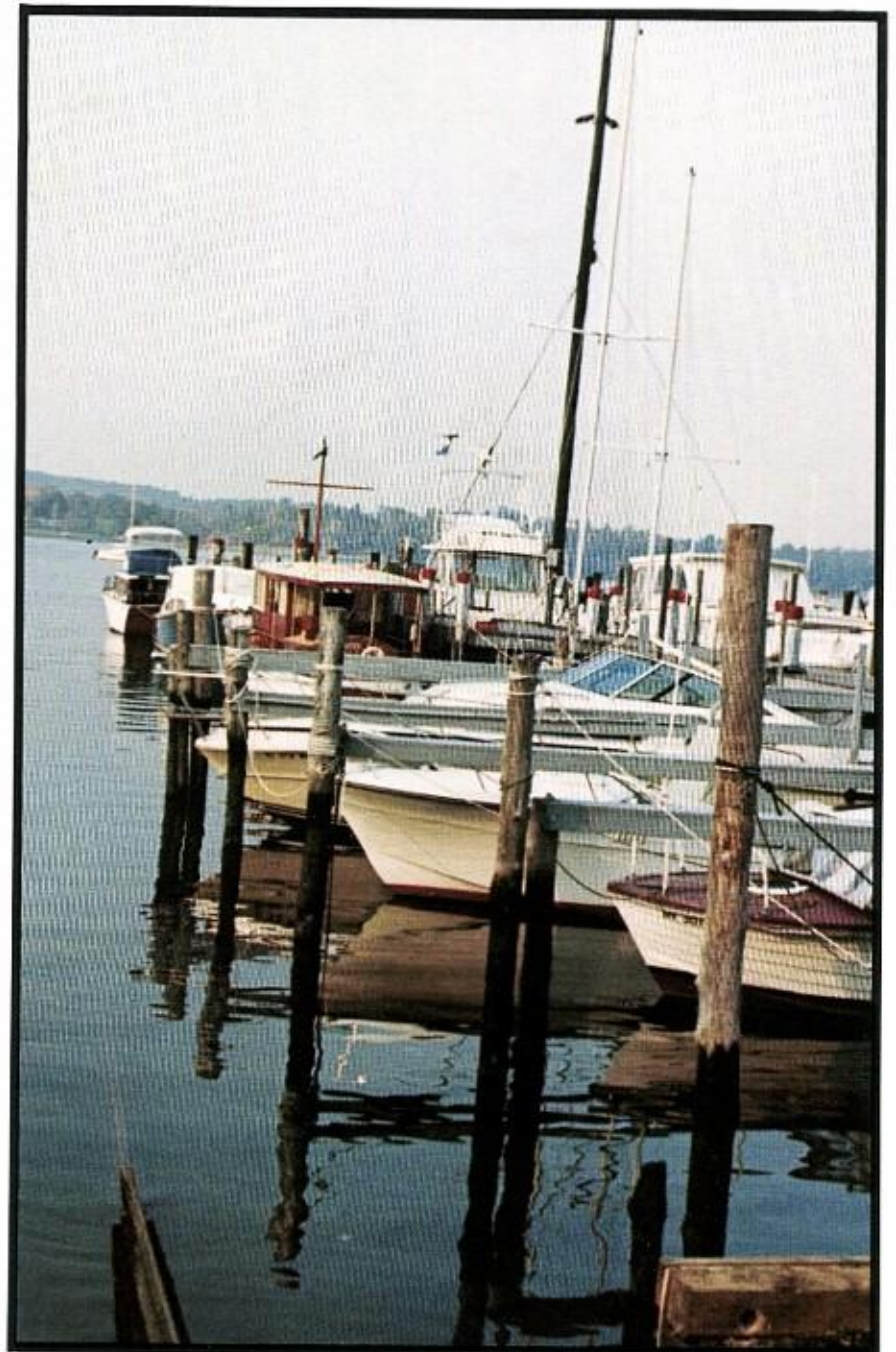

— John Ruskin

I still find each day too short for all the thoughts I want to think, all the walks I want to take, all the books I want to read, and all the friends I want to see. The longer I live the more my mind dwells on the beauty and wonder of the world.

— John Burroughs

THIS PAGE UPPER RIGHT — A unique variety of sunsets can be seen in different areas of the township. LOWER RIGHT — Chris' Landing is the takeoff point for many a seaworthy excursion. OPPOSITE PAGE TOP — The nearby "city like" setting of Red Bank provides a contrast for the resident of Middletown. MIDDLE — A United States Government Road winds its way from one end of the township to the other. BOTTOM — It's hard to believe that this Post Office could service nearly 50,000 people.

It is, indeed, in the home that the foundations of the kind of world in which we live are laid, and in this sense it will always remain true that the hand that rocks the cradle is the hand that rules the world.

— Ashley Montague

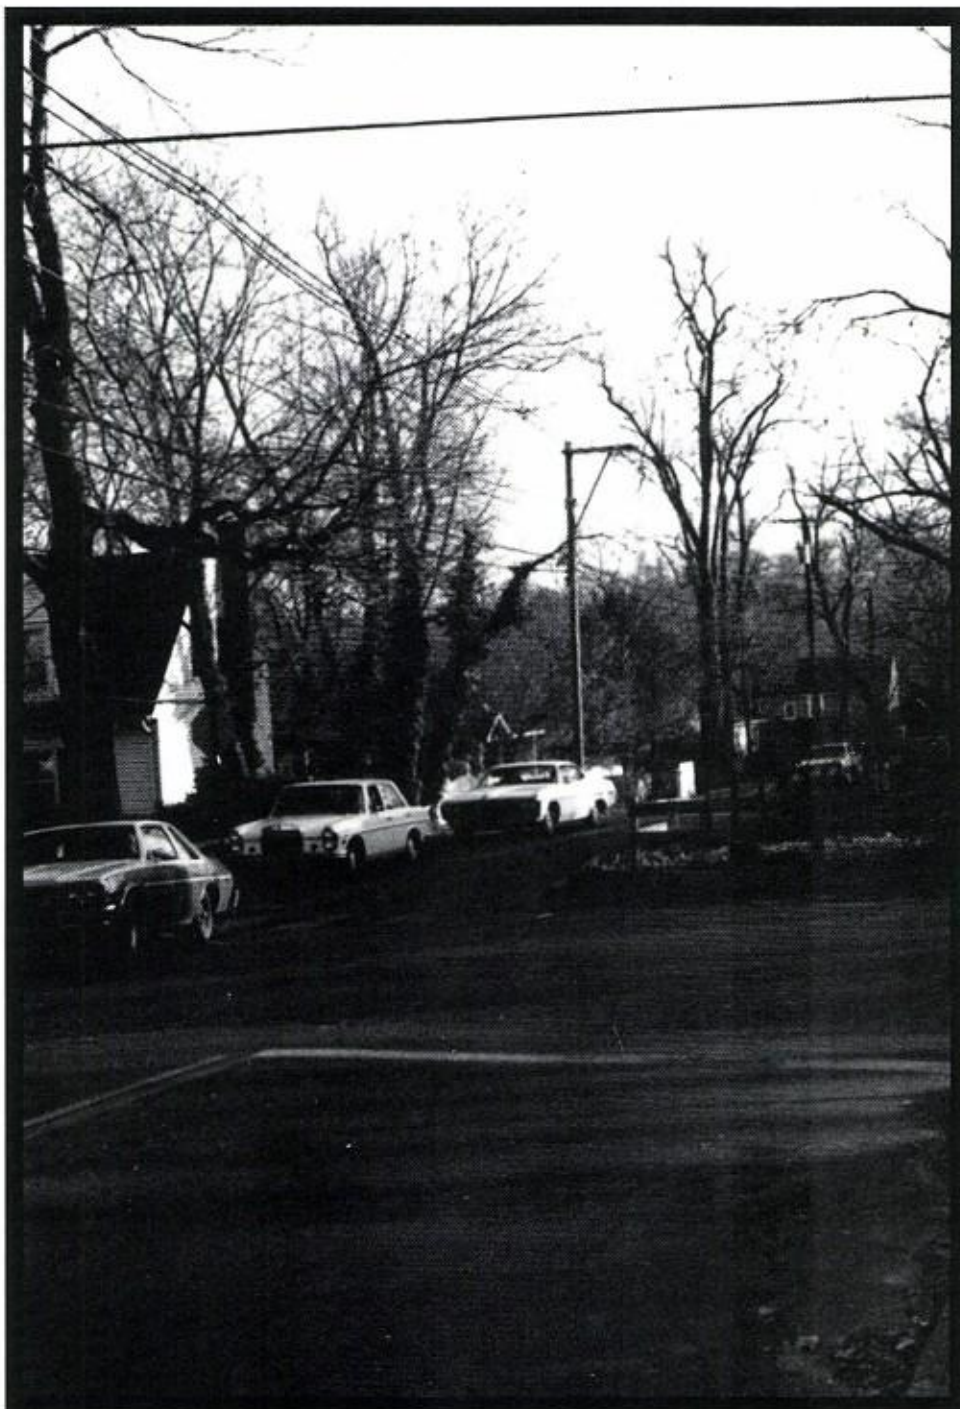

The railroad serves as one of the many "hands that rock the cradle" in the Middletown community. Here at the Middletown train station on Middletown-Lincroft Road many days and evenings begin and end.

From the Bayshore beaches to the hills of Holmdel, Middletown offers its residents a wide variety of dwellings from which to choose. South will grow in the next few years as exemplified by the fast diminishing farmlands surrounding the school.

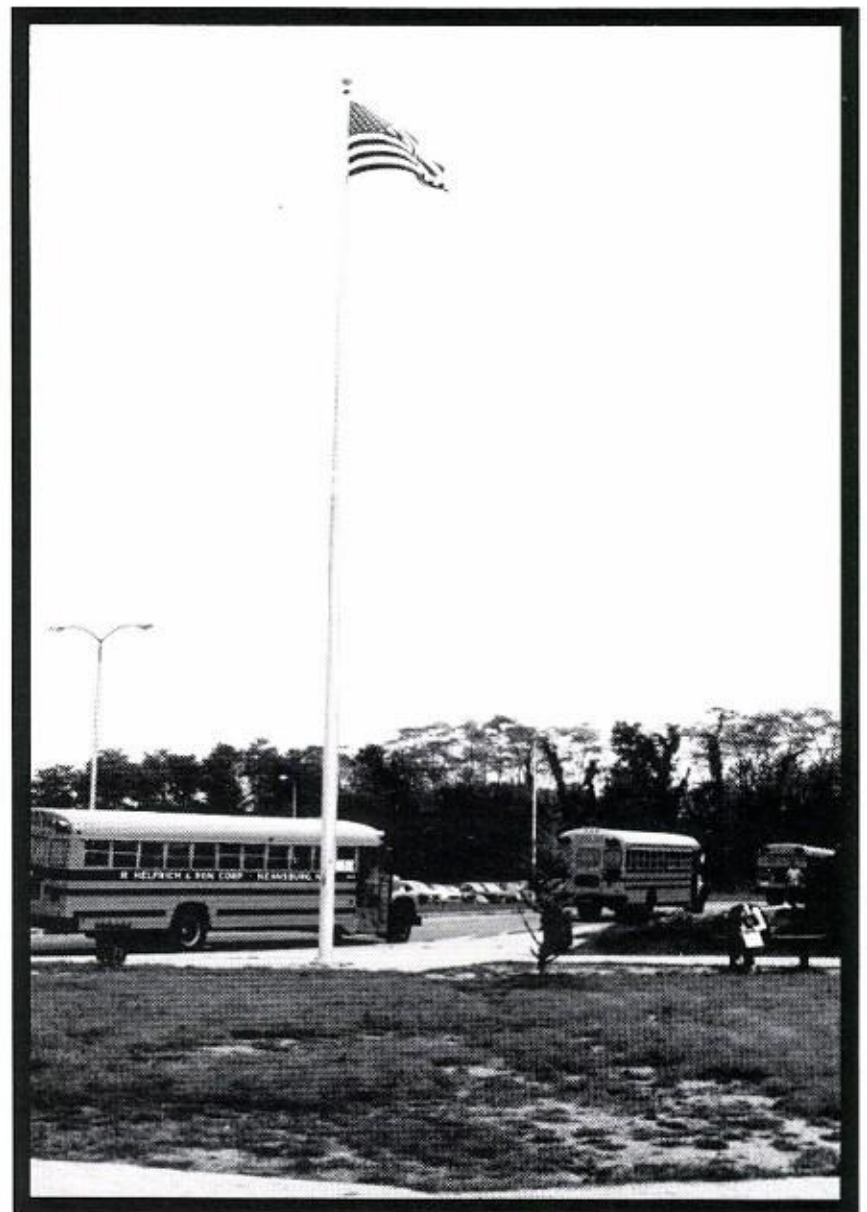

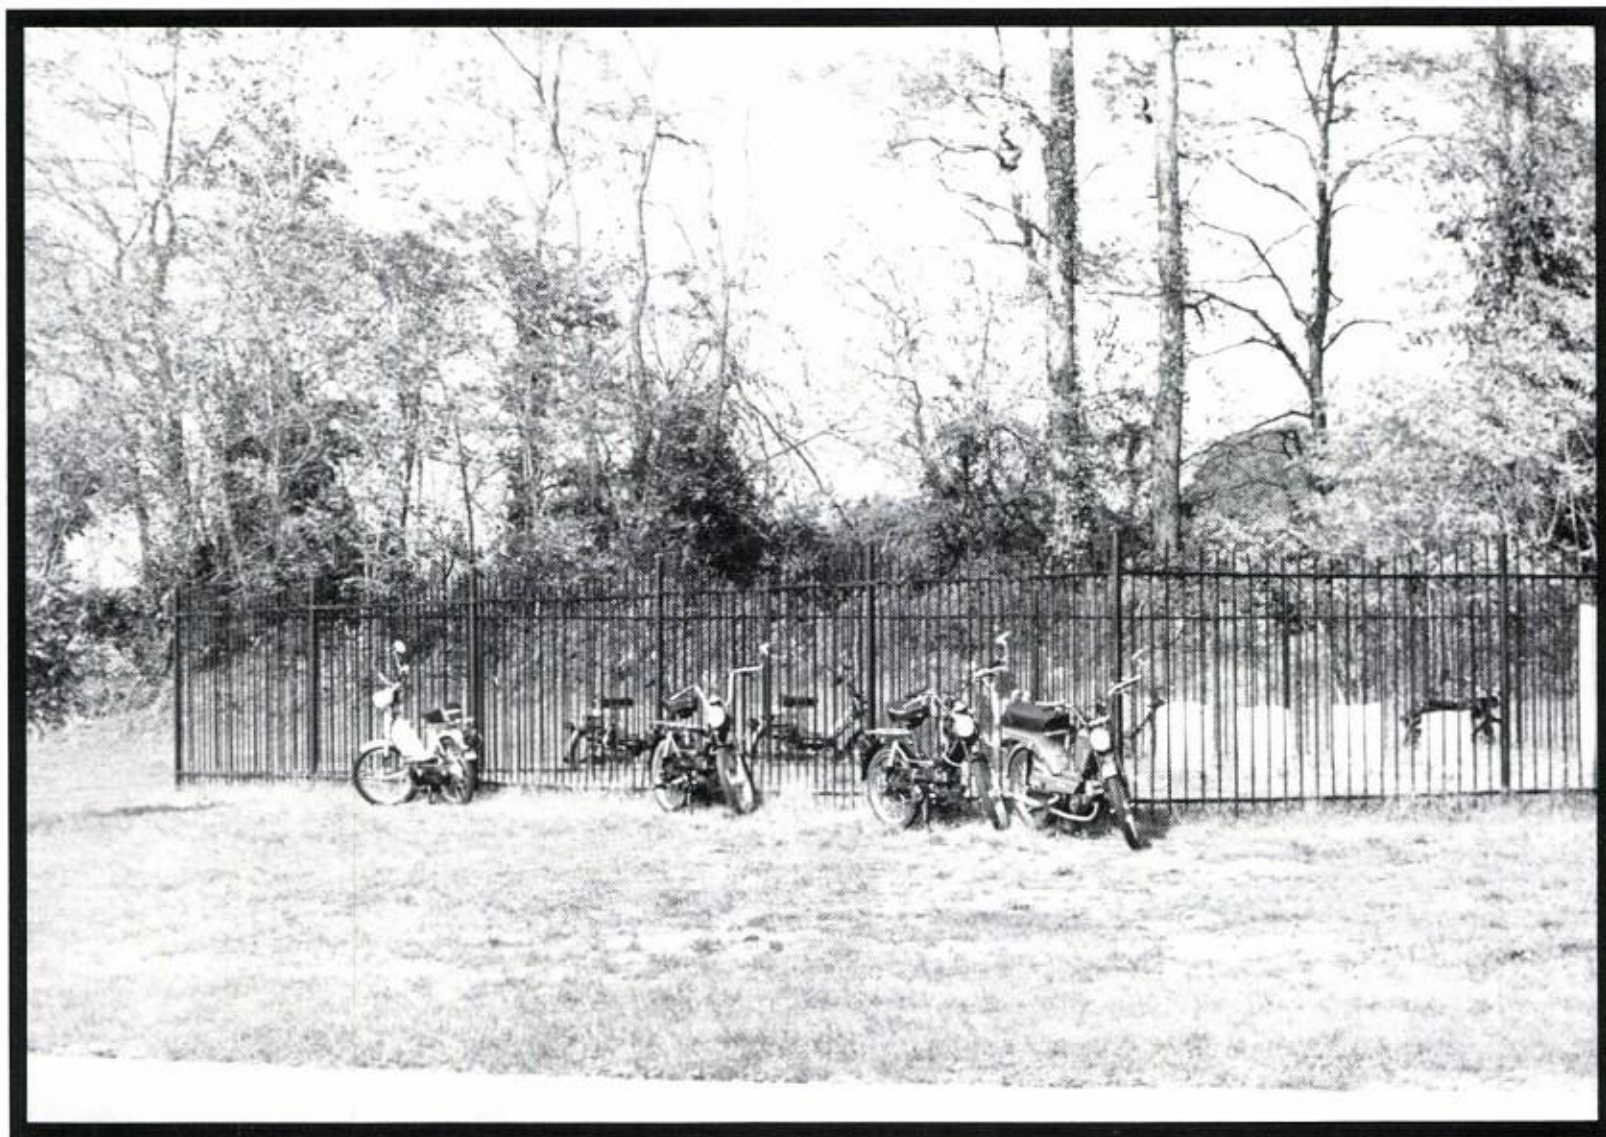

Your house is your fortress in a warring
world ...
— Frank Crane

Returning to familiar High School scenes reminds one that Middletown Township is a truly unique community serving many people in many ways.

It was Middletown's Vince Lombardi who said, "The test of this century is whether we mistake the growth of wealth and power for growth in strength and character." As the first graduates of the 80's, you can make America better by keeping in mind that who you are is more important than what you have.

You have more capacity to succeed than any graduates before you. The next five years will set the pattern of your life. Begin today by believing in yourself.

"Let us then be up and doing, and doing to the purpose; so by diligence we do more with less perplexity."

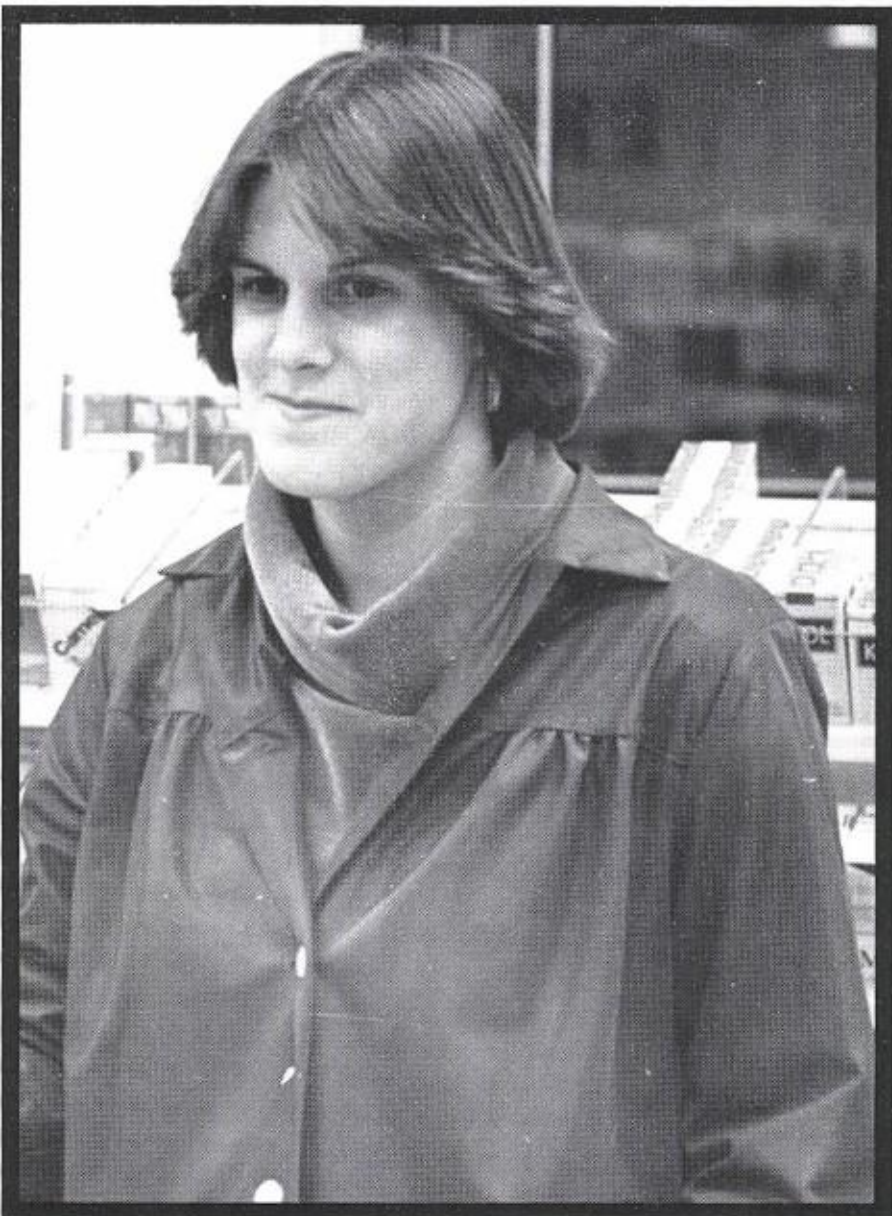

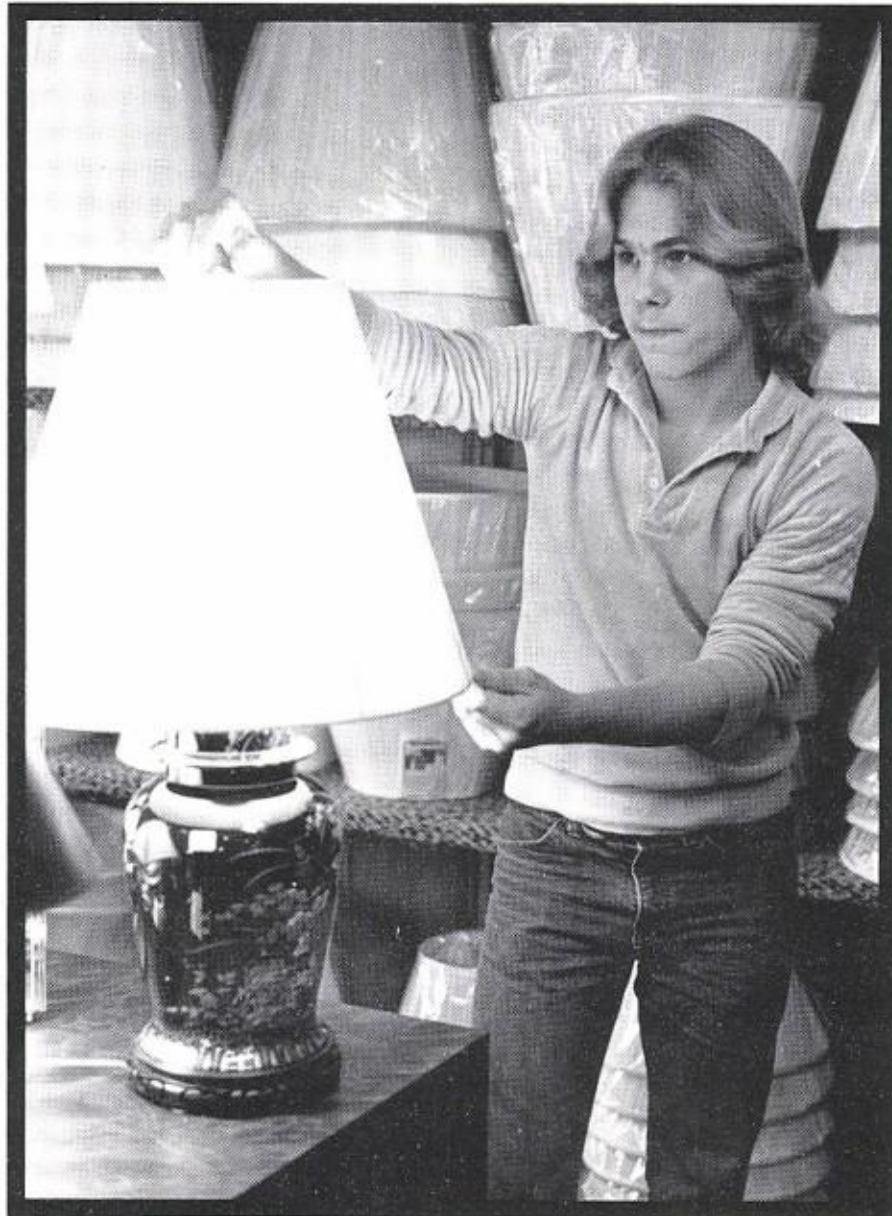

— Benjamin Franklin

Every day at twelve o'clock a small group of South students leave the campus and travel across town to attend the Monmouth County Vocational School. The students are instructed in the finer points of a particular trade which will enable them to become functional tradespeople upon graduation from High School South.

The dedication of vocational students as aspiring trade professionals is unique. A vocational student must complete all required subjects at South in the morning and pass a rigorous course of practical instruction for the rest of the day. Pride in accomplishment and training is the reward for vocational students as they prepare for careers most essential to all of mankind.

"Work is doing what you now enjoy for the sake of a future which you clearly see and desire. Drudgery is doing under strain what you don't now enjoy and for no end that you can now appreciate.

— Richard C. Cabot

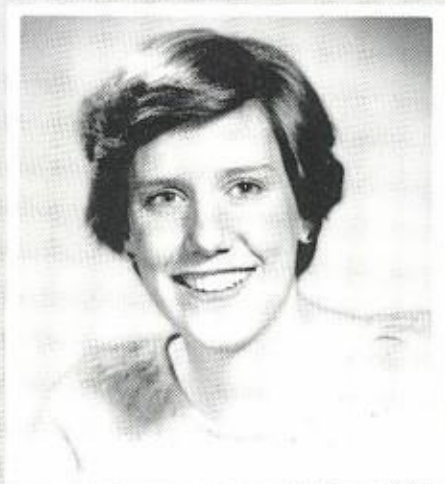

Under the directorship of Louis Altieri, the Co-op program of High School South has been flourishing for four years. Students are allowed to schedule their required courses in the morning and report to their professional work stations in the afternoon.

Businesses in the South community as well as neighboring towns, allow students to be employed as part of an ongoing educational process.

Students in the Co-op program are monitored by Mr. Altieri and by the immediate supervisor of the employing facility. Students benefit financially as well as educationally from the program.

"I feel we progressed tremendously over the course of the season with a young club".

—Rich Mosca

This year's football team showed great signs of improvement as the year went on. The Eagles had one of the toughest schedules in the shore. Some of the highlights of the year a come from behind 19-16 victory over previously undefeated Long Branch on cable television. The Eagles also scored a record 37 points against Ocean.

Offensively the Eagles were vastly improved as Jr. Quarterback John Johnson led the offense. Most of Johnsons passes were directing to flanker Jon Phipps who finished fourth in the shore in receiving. The Eagles received good blocking from Rick Lovato, John Kolacki, Joe Rada, John Smack and John Holwerda. Sophomore Marty Wenzel was a pleasant surprise as he put together two one hundred yard games in a row.

The defense was led by Pete Bidgood, Joe Wonesh, Tom Ruggerio, Andy Peppas, Jim Gilbert, Roger Baum and Steve Brown. The wolfpack showed they play with anybody, giving up only 204 yards per game.

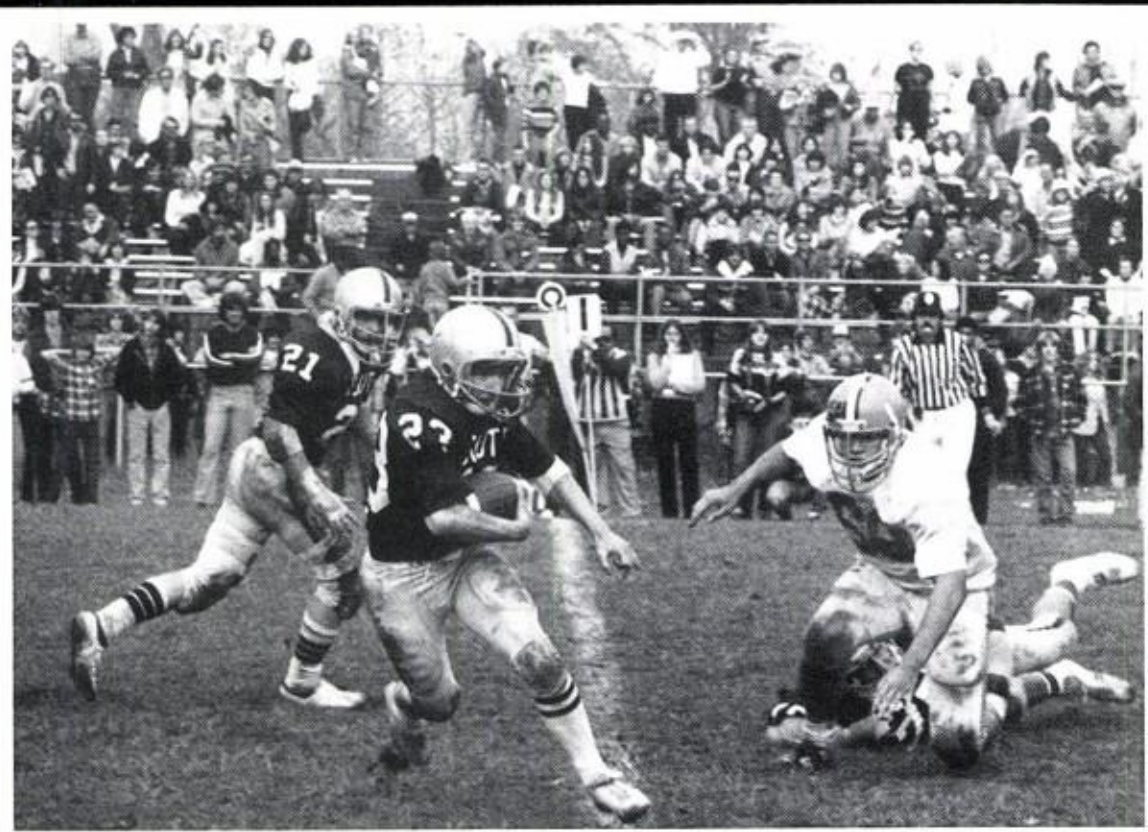

OPPOSITE PAGE — FULL PAGE BLOWUP — Jon Phipps knocks would be tacklers aside as he sprints for a long gain. INSERT — A gallant attempt is made by John Kolacki to save the pigskin. This year's tennis team finished with a record of 7 wins and 9 losses. The team was captained by first singles Lisa Byrne and 3rd singles Maureen Nipar. The team was led by Judy Bierschmitt who played second singles and finished with a record of (13-3). The team showed the ability to pull most of the close matches out. Neptune, Raritan, Middletown North, Howell, Mater Dei and Brick all fell victim to the Eagle stringers. Rounding out the starting lineup were Robin Rebrik and Karen Kouvel played First doubles and Heidi Zeigler and Erica Peitler played second doubles. The team was competitive all year and they were never blown out of any match.

"The girls should be proud of their accomplishments. They put Middletown South Field Hockey on the map."

Pam Tanis

Middletown South Field Hockey team came of age this year. The team finished with a record of 10-7-2. The girls got strong goal tending from Darlene Maxson who recorded 8 shutouts. This season the team scored thirty goals and gave up only 12. The team M.V.P. was senior Patty Camorote who had 6 goals and 1 assist. Jane Zarouni led the team in scoring 11 goals and 3 assists. Jane Zarouni and Nancy Schoepf were named to the Asbury Park Press 2nd team. Patti Camorote, Darlene Maxon and Kati DiScullio were named to the third team.

The victories included a 4-0 wipeout of Henry Hudson, and a 2-1 victory over Franklin Township in the state playoffs. After defeating Franklin, the team lost a hard fought match to Watchung Hills by a score of 1-0. The team showed a lot of class over the course of the season and they stayed close in every match.

"After all those hours of practice this close hardworking team got their reward with the A division championship."

—Ute Alt

This year's championship A North girls gymnastic team compiled a record of 8-2. Captain Cindy Moran, co-captain Jenny Obre and Senior Sue Gailbreath led the team to impressive victories over Middletown North and Raritan.

Individual talent ran high on the team as Theresa Salani, Cindy Moran, Carol Hanvey and Jennifer Obre all made it to the Shore Conference Finals and state sectionals. Advancing to the Finals of the Shore conference were Theresa Salani and Jenny Obre, who also advanced to the state finals where she finished 1st in vaulting and third in all around.

SOCCER 112

"We progressed as the season went on; we played as well as could be expected against rugged competition.

—Dennis Coyne

This year's soccer team played very well considering the quality of its opposition. The team finished with a final record of 4-13-2. The team lost in the final round of the Monmouth County play-offs after beating Red Bank Catholic and Long Branch, then falling to a tough Red Bank Regional team.

Steve Krynicki set a South single season scoring record by putting in sixteen goals. John Givens also led the attack with six goals and six assists. Goalie Steve Springsteen finished his career with five shut-outs. The total could have been higher except a late season shoulder injury sidelined him. Debbie Poole broke the sex barrier as she became the first girl to ever play soccer at the varsity level in Shore Conference history. For the first time this year, South played a night game at their own stadium. Even though we lost, the night will be remembered as the "night the lights went out." The team showed a lot of class throughout the season.

OPPOSITE PAGE — LARGE PICTURE — Bruce Mackey shows amazing ball control as he baffles an opponent. INSERT — Debbie Poole proved that you don't have to be a boy to play soccer. "Our squad is on the verge of greatness
— join us as we run for fun".

—Lou Mazzi

This year's Cross Country team finished the season with a record of 5-5. The team lost the conference title by one point to Neptune.

Both the boys and girls teams had many bright spots. MVP John Bush was chosen for Monmouth County second team. Seniors Shane Riley and Andy Holzman and Juniors Hal Lecinski and Brad Petersen also paced the attack. Patti Gillen led the girls team as she showed great poise for a Sophomore. The team showed great promise and were never really blown out of any meet.

"The purpose of cheerleading has changed in the last ten years, the school is brought closer together and the girls have to possess more athletic skill."

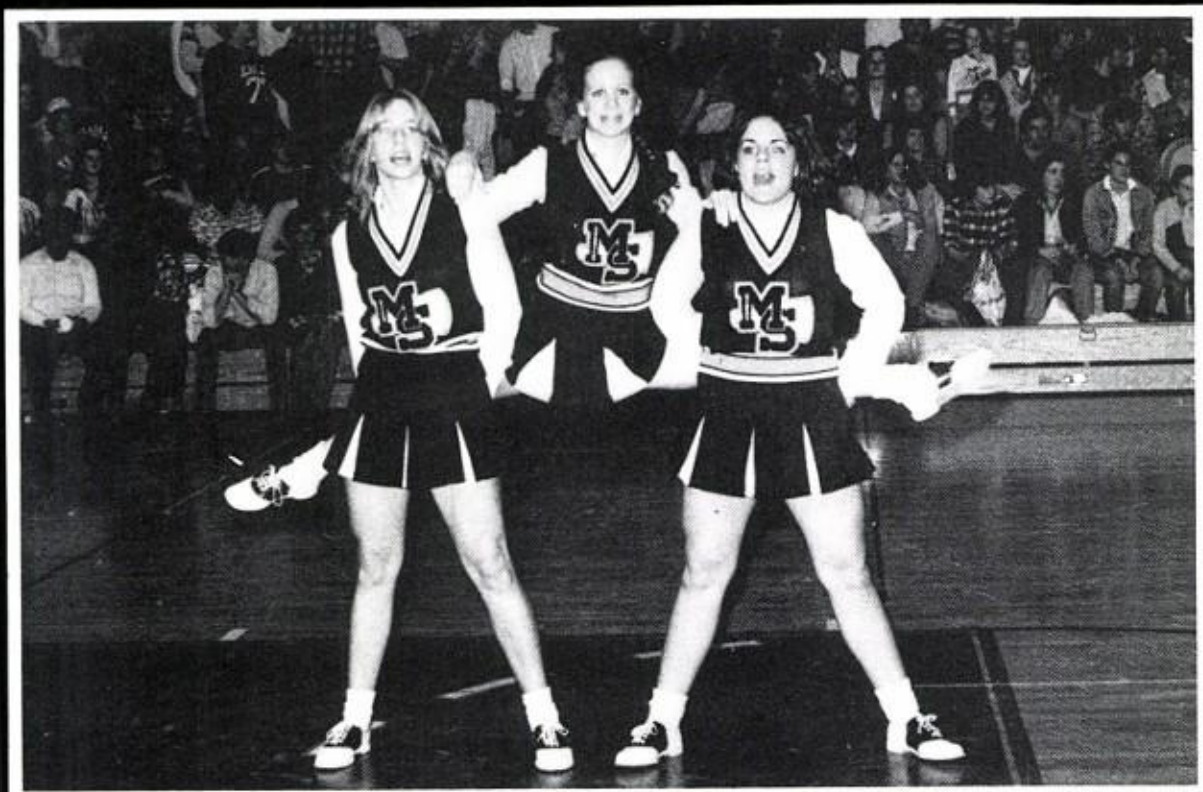

Judy Gage

This year's cheerleading squad was captained by seniors Lori Hughes and Lisa Shebell. The girls practiced since August. They added a lot of spirit wherever they went. This squad cheered at the North-South soccer game, and all of the football and basketball games. This year's seniors are Stacy Cupolo, Dana Aulenti, Cindy Noll, Jenny Giamo, Hope Mohlenhoff and Debbie Josko. The girls showed all their hard work paid off as they performed cheers which required great acrobatic skill.

Homecoming Game

The day every student waits for, the day we return to the mother ship, we show our independence from Middletown North. On November 22, 1979, Thanksgiving, we showed overwhelming support for our great football team in innumerable ways. Balloons were released, screams were heard, claps, boos, and pom-poms waved. But despite all of this, we lost to Middletown North with a score of 21 to 10. Cries of anguish were heard amongst the Northerner's horns and joyous yelps, as cars flooded the long driveway of South.

TOP LEFT — South's faithful fans show much enthusiasm against our cross-town rivals. TOP RIGHT — By the way "Who's your date?" MIDDLE — Washington was never like this. Student Government

Responsible for so many of the special events this and every year at South is the Student Government. The group is made up of the Student Council and the Junior and Senior Executive Boards.

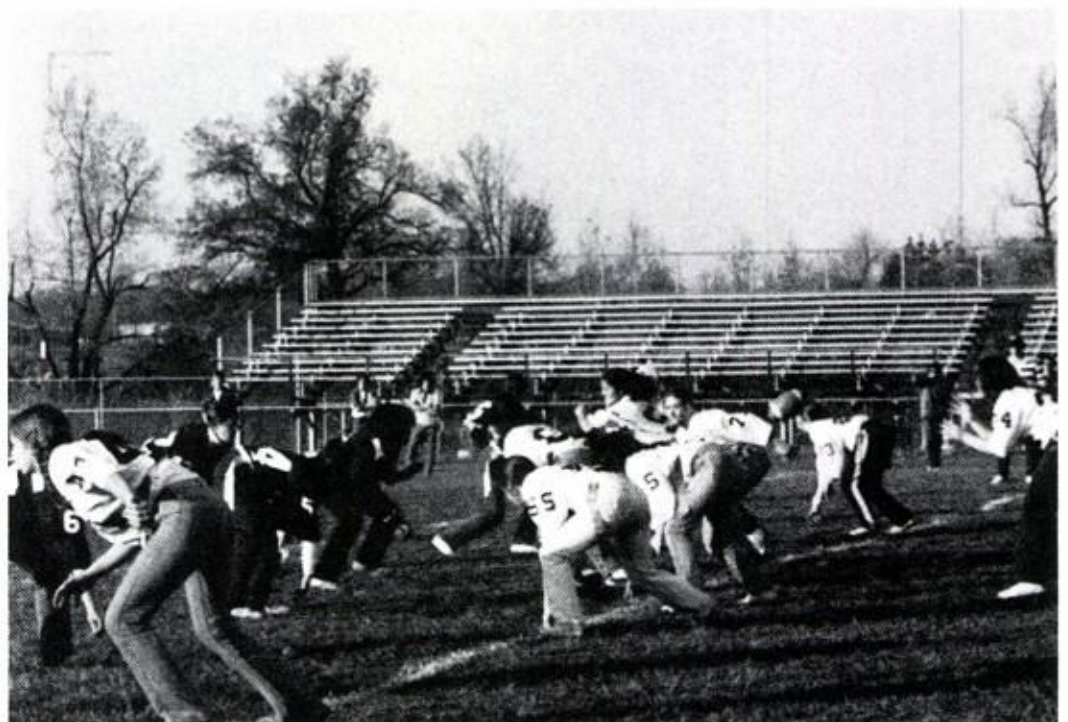

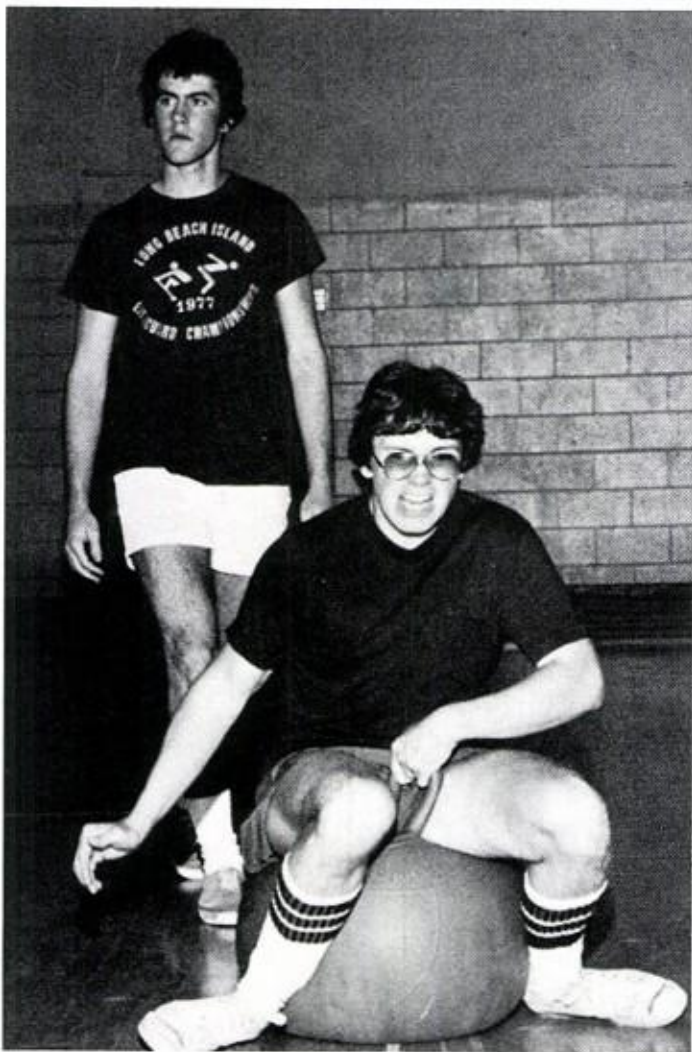

The Senior Exec. with President, Laureen Langan and Vice President, Marianne Fusco, has been hard at work to make this year exceptional for the senior class. From refreshment sales at games to flea markets, benefit dances to the Frolics, this class has worked hard to make 1980's Senior Ball a success.

The activities of the Junior Exec. headed by President Kate McGuire and Vice Pres. Kathy Shenko, have been aimed at more student participation in activities and reducing the cost of the prom bids. This year they helped give us the Powderpuff Game, Almost Anything Goes (Went?), the Student-Faculty Basketball Game, the Fashion Show, and the Junior Prom.

The main interests of this year's Student Council has been the Homecoming activities. Presiding officers are: Vinnie Brand, President; Pam Lilley, West House Vice Pres.; and Kathy Corsaky, East House Vice Pres.

Halloween

You know something is not quite normal when you find yourself sitting next to a bumble bee and a beer bottle in a class taught by a cat. This year the Halloween spirit struck South and with a flair of creativity. Students and teachers donned some elaborate and original costumes, for instance, a six-pack of beer, a Hershey Kiss, the "Diaper Dudes", an Oreo cookie, and the Cookie Monster. More than half of the student body participated this year to make the holiday something more than just another day of school. First place for the most original costume went to George McKulla dressed as General Custer.

Powder Puff

Mr. Pfennig's favored Juniors were defeated by the mighty Seniors in this year's Powder Puff Game, held on home field. The battle between the Juniors and Seniors ended with the score of 28-0. Both teams fared very well having been trained by some volunteering football players. The Senior coaches, Rick Lovato, Jon Phipps, Pete Bidgood, and Joe Wonash were proud of their players.

A. F. S.

The A.F.S. Club, American Field Service, is attempting to provide participants with experiences that point to the diversity of lifestyles in foreign countries by arranging international student exchanges. Among the activities the A.F.S. has sponsored, weekend-exchanges and bus stops were the highlights. Attending South this year we have one A.F.S. student, Kari Sandbu, of Norway. Other exchange students in school, taking part in the A.F.S. Club are Annelie Gusdal (Sweden), Lieven Geerinck (Holland), Gigi Gunderson (Sweden), and Maria Svenson (Sweden). These students stay here for only the school year, so we extend them a special good-bye.

TOP — Lieven, Gigi, and Kari. MIDDLE — Students observe cultural differences. BOTTOM — South students welcome exchange students and plan fund raisers.

Fellowship Club

The Fellowship Club, whose President is Carl Kruschinsky, with V.P. Sam Andreades, has had many goals set for itself this year. Among these goals is a plan to have an after school assembly with religious speakers and singers. They are also sponsoring the adoption of a child and working with a handicapped child. Their main goal, however, is to promote fellowship in the school community.

"When thinking of Ray, it's hard to be sad because he brought so much joy and cheeriness into people's lives," said one of his many close friends.

Ray Lenartowicz was truly a special friend to all who knew him. He was loving and outgoing, witty and imaginative. He liked to talk about his uncle, who, he claimed, owned a Moe farm where they get mohair for blankets. "Do you know how many moe's noses it takes to make a blanket?"

He wasn't afraid to yell, "I love you", and he never stayed mad.

He had a great love for Nature and this was shown by his interests in photography, skiing and scouting. He was photography editor of the Yearbook and Vice President of the Ski Club at school.

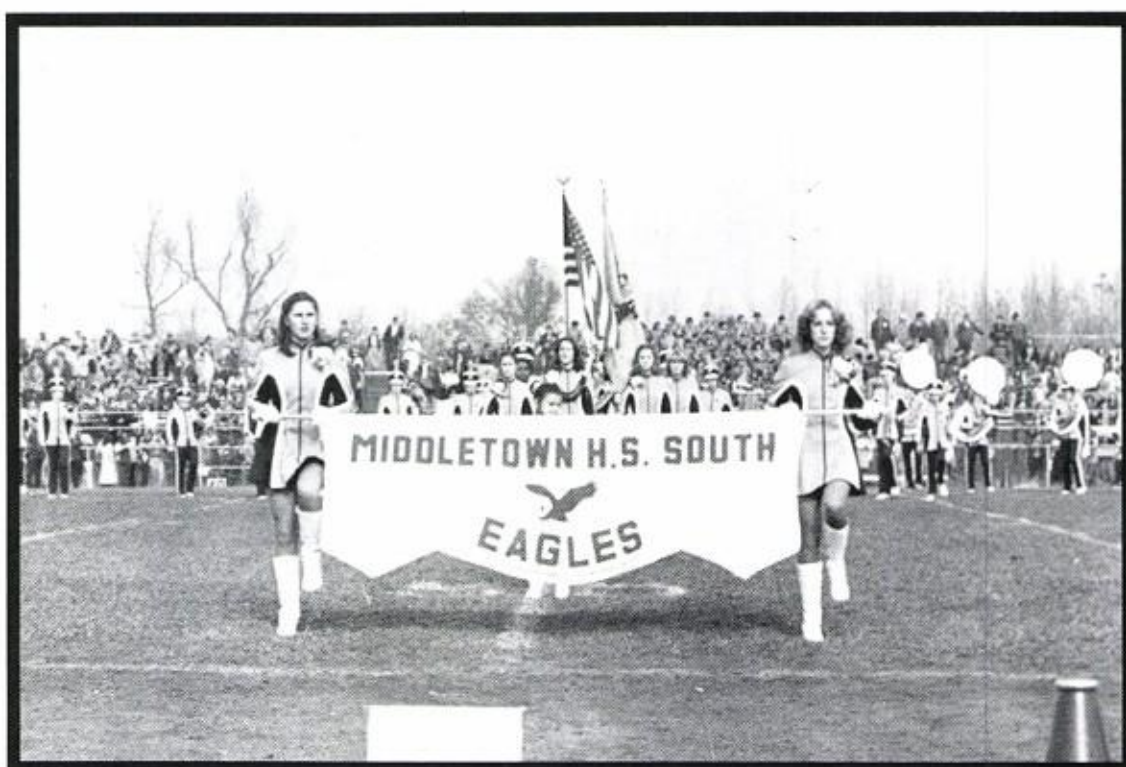

Ray excelled in music and played trombone in the marching band and pep band.

"He loved art, and beauty, and laughter," said another friend, "and he had a real appreciation for life. He really cared for and valued his friends. We loved him, too."

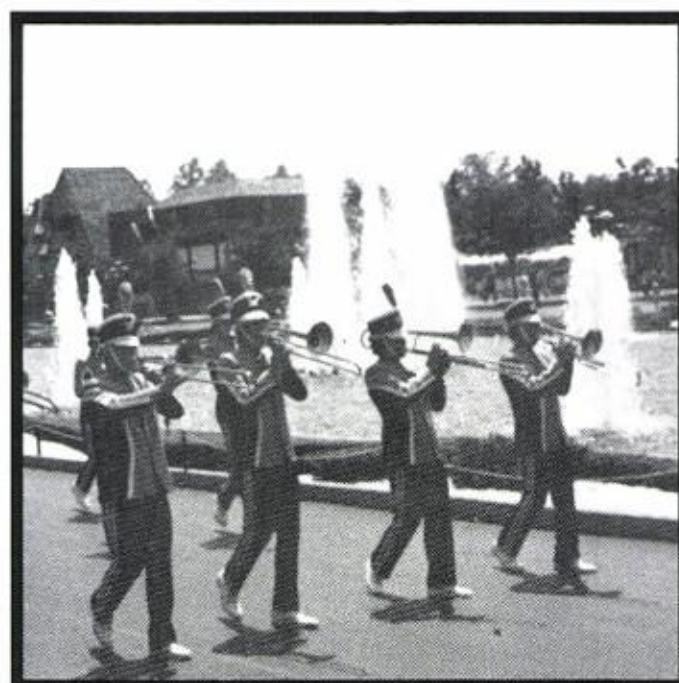

"We are such stuff
As dreams are made on; and our little life
Is rounded with a sleep."

Marching Band and Band Front
 Middletown High School South's Marching Band performed during half-time shows in the Football season in addition to a trip to Washington D.C., playing on the Capital building steps and in King's Dominion Amusement Park the previous spring. The Band was led by drum majorette, Linda Schulussler, and Joseph Lawlor, as Band Director. The Band also included Show Flags, Band Front, Rifle twirlers, and twirlers.

“This year's team is quick, aggressive and hardworking. Depth and inexperience will be our only obstacles.”

— Dennis Sasso

This year's Girls Basketball team finished with a record of 15-10. Coached by Dennis Sasso the team brought home the Bayshore Christmas Tournament Championship with a 46-40 victory over Middletown North. Victories over Neptune, Holmdel and Ocean highlighted the season. The Girls' hopes for a State Championship ended when they dropped a heartbreaking 58-55 decision to a tough Sayreville squad.

The team was led by Senior guard Debbie Flatley and Patti Camorote. Patti Camorote and Debbie Flatley both shared the MVP award. Claudia Fulshaw, Michelle Monroe and Jan Cummins rounded out the starting lineup. Mary Halpin, Sue Accivatti and Donna McHugh filled in whenever the starters needed a rest.

Junior Michelle Monroe set a new school record as she scored 31 points against Sayreville.

“This year's team is working just as hard as past South teams did. We showed great improvement over the course of the season.”

Pat Houston

This year's Eagles Boys Basketball team finished with an outstanding record of 20-5. Coached by Pat Houston the Eagles once again were able to dominate Shore Conference opponents. The team was led by Captains John Benbrook and Jim Murray. Mike Fogarty, Arnie Baum and Dave Lynch rounded out the starting lineup. John Johnson, Mike Bennet and Justin Kalac filled in admirably when the starters needed a rest.

The Eagles opened the season with ten straight wins. Among those victories was the Eagles third straight Bayshore Christmas tournament championship, along with a thrilling 55-46 victory over Neptune.

Of the Eagles five losses three came at the hands of champion Neptune and one loss came against National power Archbishop Carroll. Over the course of the year the Basketball team provided some exciting memories that will not be forgotten.

“Wrestling demands many things from an athlete, strength, skill, desire, speed and stamina are all necessary. We will develop all these things it will though first start with attitude.

—Ed Bechtel

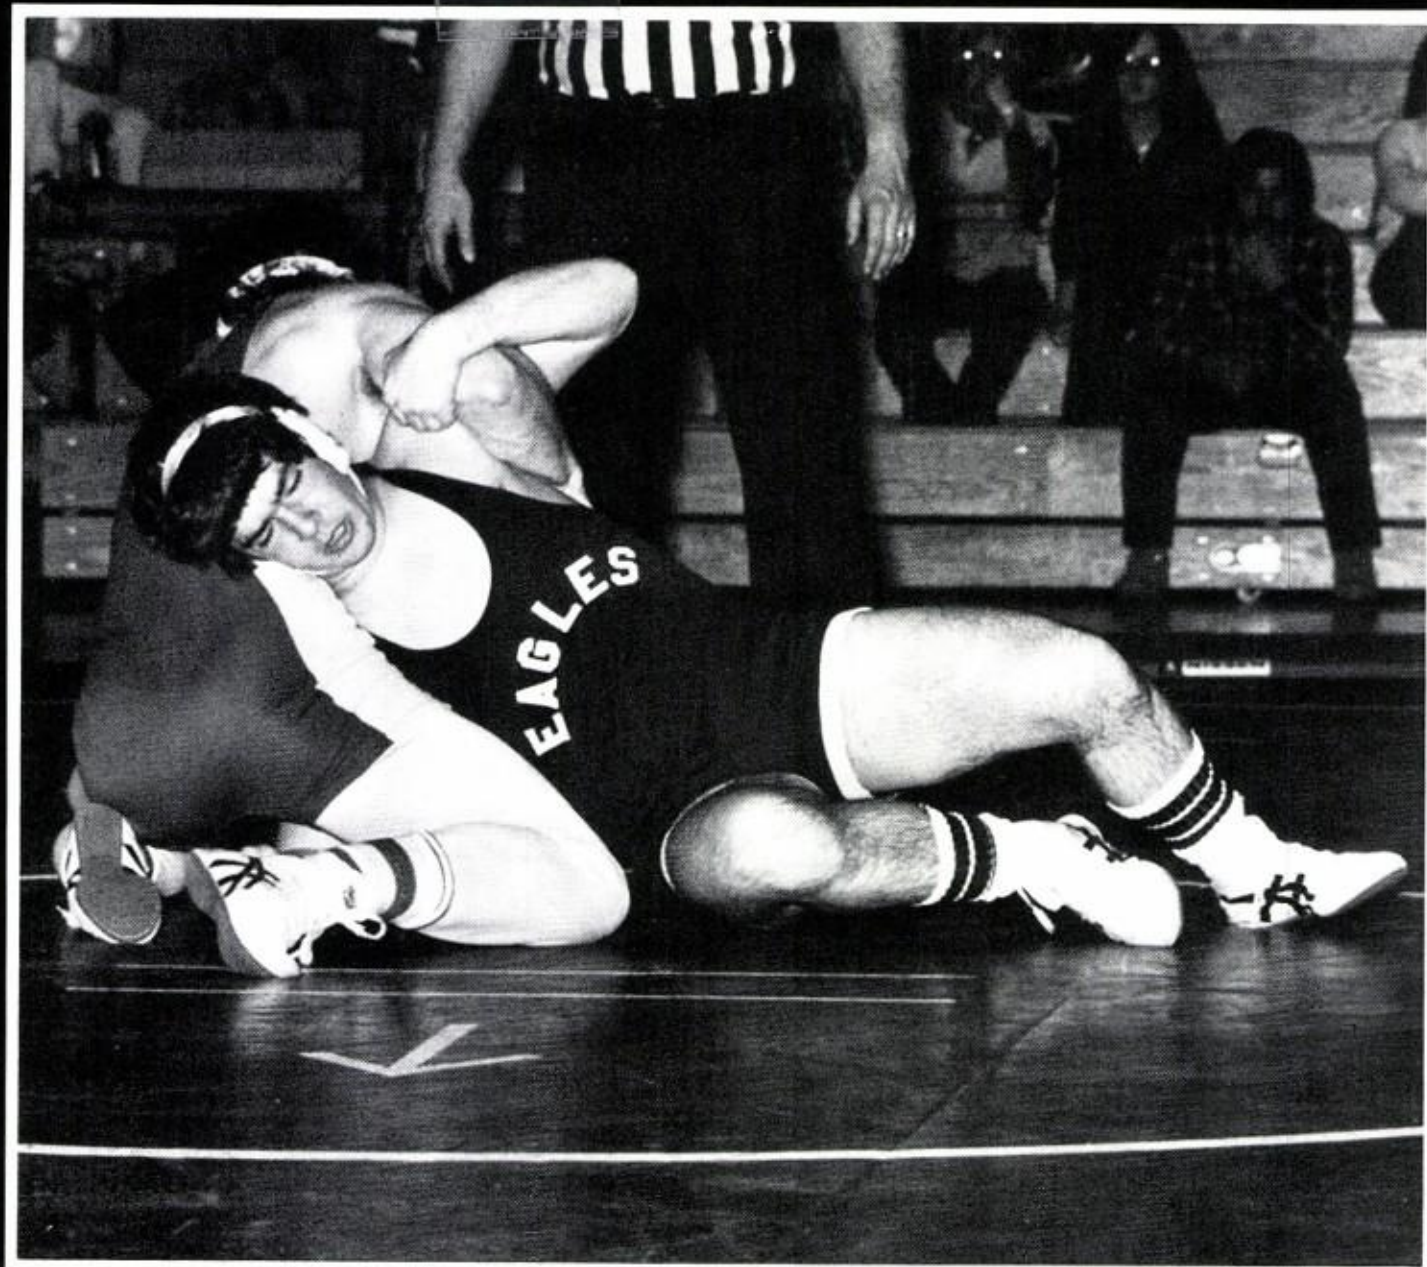

The Middletown H.S. South Wrestling team finished their season with a record of 6-11. Coached by Ed Bechtel, the team was led by Seniors Rick Lovato, Jon Phipps, Joe Wonesh, John Daly, Mike Bush and Jim Sisolak. Red Bank Catholic, Matawan, Rumson, Howell, C.B.A. and Monmouth Regional all fell victim to the Eagle grapplers. The Eagles most impressive victory came in a 38-14 thrashing of Monmouth Regional.

This year's team also featured a State Champion, Rick Lovato won the State Championship in the 188 pound weight class. The championship added to his impressive list of titles which includes his Championship in the Regionals, Districts and both the Middletown South tournament and the Neptune Christmas tournament.

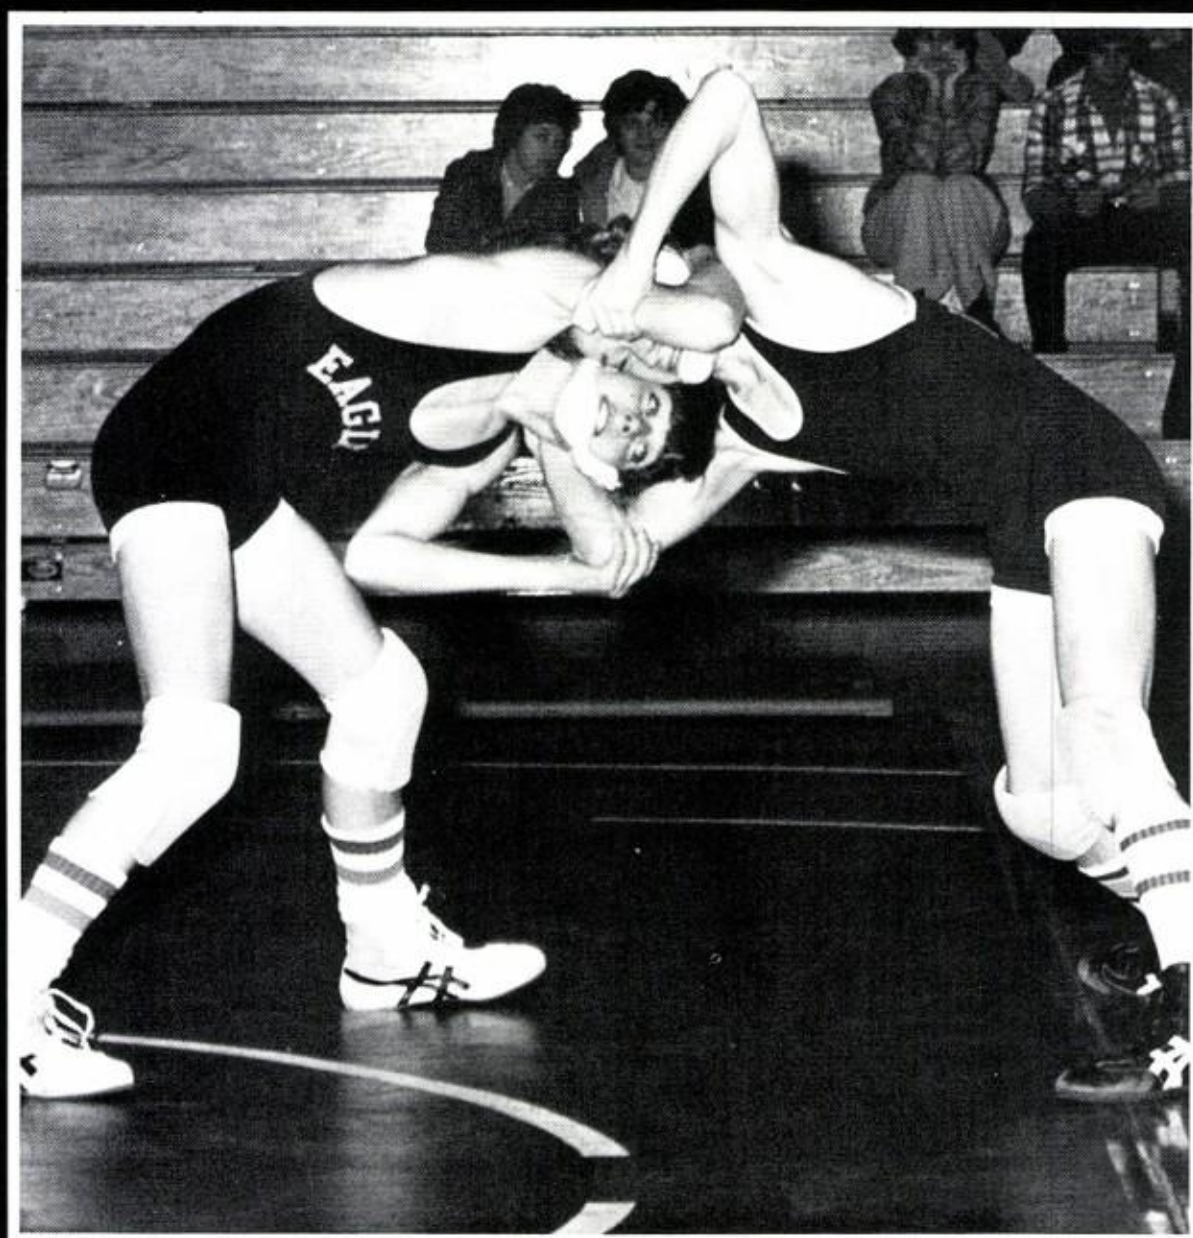

Another impressive performance was turned in by Joe Wonesh as he wrestled his way to a second place finish in the Districts. John Daly was also outstanding as he also won first place in the Middletown South tournament.

“Despite the drawback of 5:00 A.M. practices, the team has progressed to the point where they are now competitive with teams that have been in existence for six years. Y.M.C.A. age-group swimmers should bolster the squads in the next few years.”

The girl's swim team showed great progress over its first year's performance. Their record was 5-5. The team was sparked by co-captains Laureen Langan and Holly Davis.

The boy's team made a great effort to overcome rigid competition. Their team was inspired by co-captains Glenn Tiedemann and Bob DiSanto.

The following divers enlivened the action: Trisha Grewe, Kate Cowie, Laurie Colantuono, Chris Brown, Bob DiSanto, and Craig Selbrede.

Coach Pat O'Shea has laid a solid foundation for the future of the team.

Quote: Who will ever forget the most recent Winter Olympics when the United States Hockey team captured the gold medal by beating the Soviet Union and Finland? Remember last years Stanley Cup playoffs when the Rangers upset the Flyers and the Islanders? It is obvious Ice Hockey can generate a high level of intensity, competitiveness, excitement and unity. I hope we can someday experience such a situation at Middletown South! "cause tramps like us, baby we were born to run."

—John Knodel

For the first time in three years Middletown South's Hockey club took great strides toward becoming a full fledged team. Led by John Samuels, Joe Spindle, Buddy Gaur, Bob Vincent and Mac Carter the team finished undefeated as they played in the friendly confines of the Shrewsbury Ice Rink. Also contributing to the team were Mike Delmeir, Glenn Russell, Jim Burnett and Randy Gardella.

Newspaper

The Eagle Eye, South's school newspaper began its second year with hopes for improvement over last years. With more experience they were able to concentrate on perfecting their journalism.

Subterranean

The hidden talents of Middletown South's creative writers and artists unfold in the pages of its annual creative arts magazine, Subterranean.

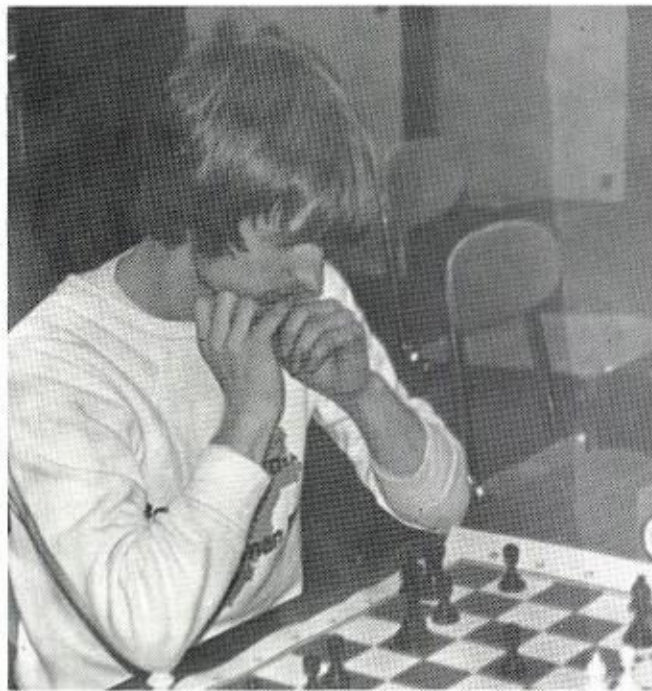

Original prose, poetry, and art works are submitted by students to the Subterranean staff. At weekly meetings the staff selects and blends these works into a harmonious showcase of talent, Middletown style.

The hard work of a creative staff, headed by Martha Greenwald, and the inspiration of their advisor, Bernice Jailor, make the magazine an achievement in literature for the rest of us to enjoy.

The 1980 Math team of South got off to a slow start but finished strong placing 13th in a field of 130 schools. Under the direction of Mrs. Coffey, the team was led by Jane Zarouni, Craig Selbrede, and Jack McCrae. The highlight of the year was a trip to Stokton State College for a math contest.

The 79-80 Eagles Chess Team had one of its finest seasons ever. After the Elks' Club Tournament in October, the Woodpushers took home the 2nd place trophy with a 3-1 record.

International Grandmaster Arthur Bisguier gave a highly successful lecture and simultaneous exhibition in November.

The Eagles finished in 2nd place in the Northern Division of the shore H. S. Chess League with a 10-2 record. As of this writing the Team had an overall record of 14-4 including a 1-1-0 record in the league playoffs! The team was also hopeful of improving on last years' 8th place finish in the state tournament in March.

With only 1 Senior in this year's club, the Eagles are also looking forward to next season.

South's Ski Club anxiously awaited the usual downpour of the white, fluffy stuff this winter, but unfortunately were met with an unusual winter drought. Yet, never let it be said that such an obstacle would keep us home. Though trips were fewer this year enthusiasm abounded and attendance was as good as ever as frantic skiers headed for the slopes.

The club attracts skiers of all levels of ability and especially provides the opportunity for beginners to be introduced to skiing and receive some free aid and instruction from the more experienced. Membership ranges anywhere from 40-70 students and teachers during the season. This year's weekend escapes have included trips to Hunter Mountain, N.Y. and Waterville Valley, N.H. Advisors Susan Hughes and Carl Antisell along with President Roger Oglivie organized and supervised the activities.

Forensics

The Forensics Club is primarily concerned with public speech and debate. The group, in affiliation with the New Jersey State Forensics League, participates in several meets throughout the year. In each meet several school teams compete in debates and individuals engage in speech competitions.

This April the team took part in the annual Student Congress, where they made an excellent showing for our school, and hopefully they will be included in the State Competitions. In their second year they have been working under the guidance of their advisor, Tracy Stein, aided by President, Judy Deluca and Treasurer, Brian Sussman.

Acappella Choir

Acappella Choir is not just an ordinary subject. All year long we have to work hard, but at the same time have fun. The 1980 school choir consists of 45 members.

In the course of the year the choir presents a winter and a spring concert. Furthermore, they go from school to school the graduation and following with initiation for Honor Society. The choir was also honored by being asked to sing at the annual tree lighting ceremony.

In conclusion, I would like to say; we work hard to represent our school. And we appreciate your support in the audience.

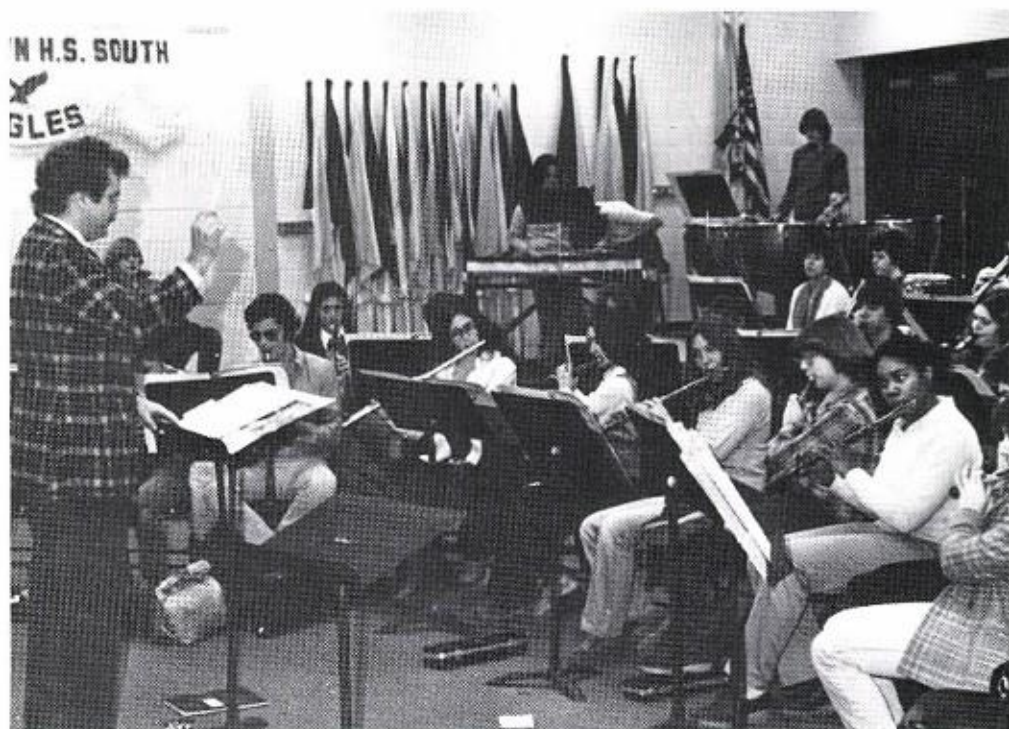

Concert Bands

The M.H.S. S. Concert Band is what could be called the voice of Middletown South. Under the direction of Joseph Lawlor, the band once again gave us their all by adding a little music to our year.

In December's Holiday Concert they played a medley of songs to put us in the holiday spirit. Other performances included the annual Spring and Soloist Concerts and in Canada at Niagara Falls.

In autumn they are in the form of the Marching Band and smaller groups of players make up the Pep Band and Jazz Band. Band members are some of the rowdiest and spirited students in the school, a feeling that rowses enthusiasm in the whole of the student body when they play at pep rallies.

"Through the 'We'll do it tomorrow!' to 'The play opens one week from today!' to 'I can't do that!' to 'It looks great!' Through all this, these students made an idea a reality.

Thespians

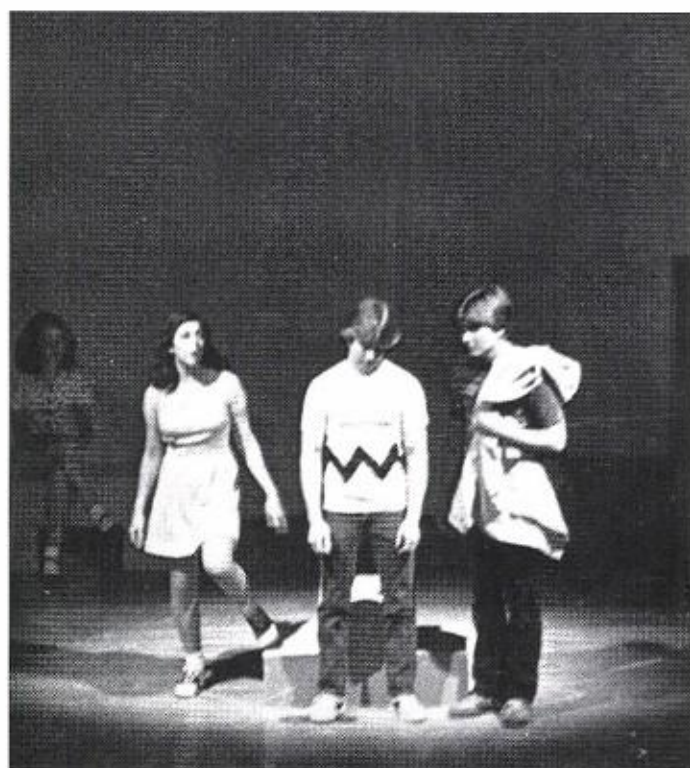

/thes-pē-an/ adj., (fr. Thespis, 6th cent. B.C. Greek poet and reputed originator of tragedy): relating to the drama; dramatic.

Best Performance in a Supporting Role is awarded to the Thespian Society (actually the National Honorary Theatre Organization) for its contributions to South's theatre arts productions.

The Thespian Club prefers to call itself the Drama Society because not all are members of the National Thespian Society (which requires a certain amount of experience in the theatre).

This year they brought us "Arsenic and Old Lace"; "You're a Good Man Charlie Brown", which was their major fund raiser; a production of "A Christmas Carole"; and they helped make the Frolics a success.

Vice President Sandy Noecker
Secretary Sue Grossman
Treasurer Joanne Manuli

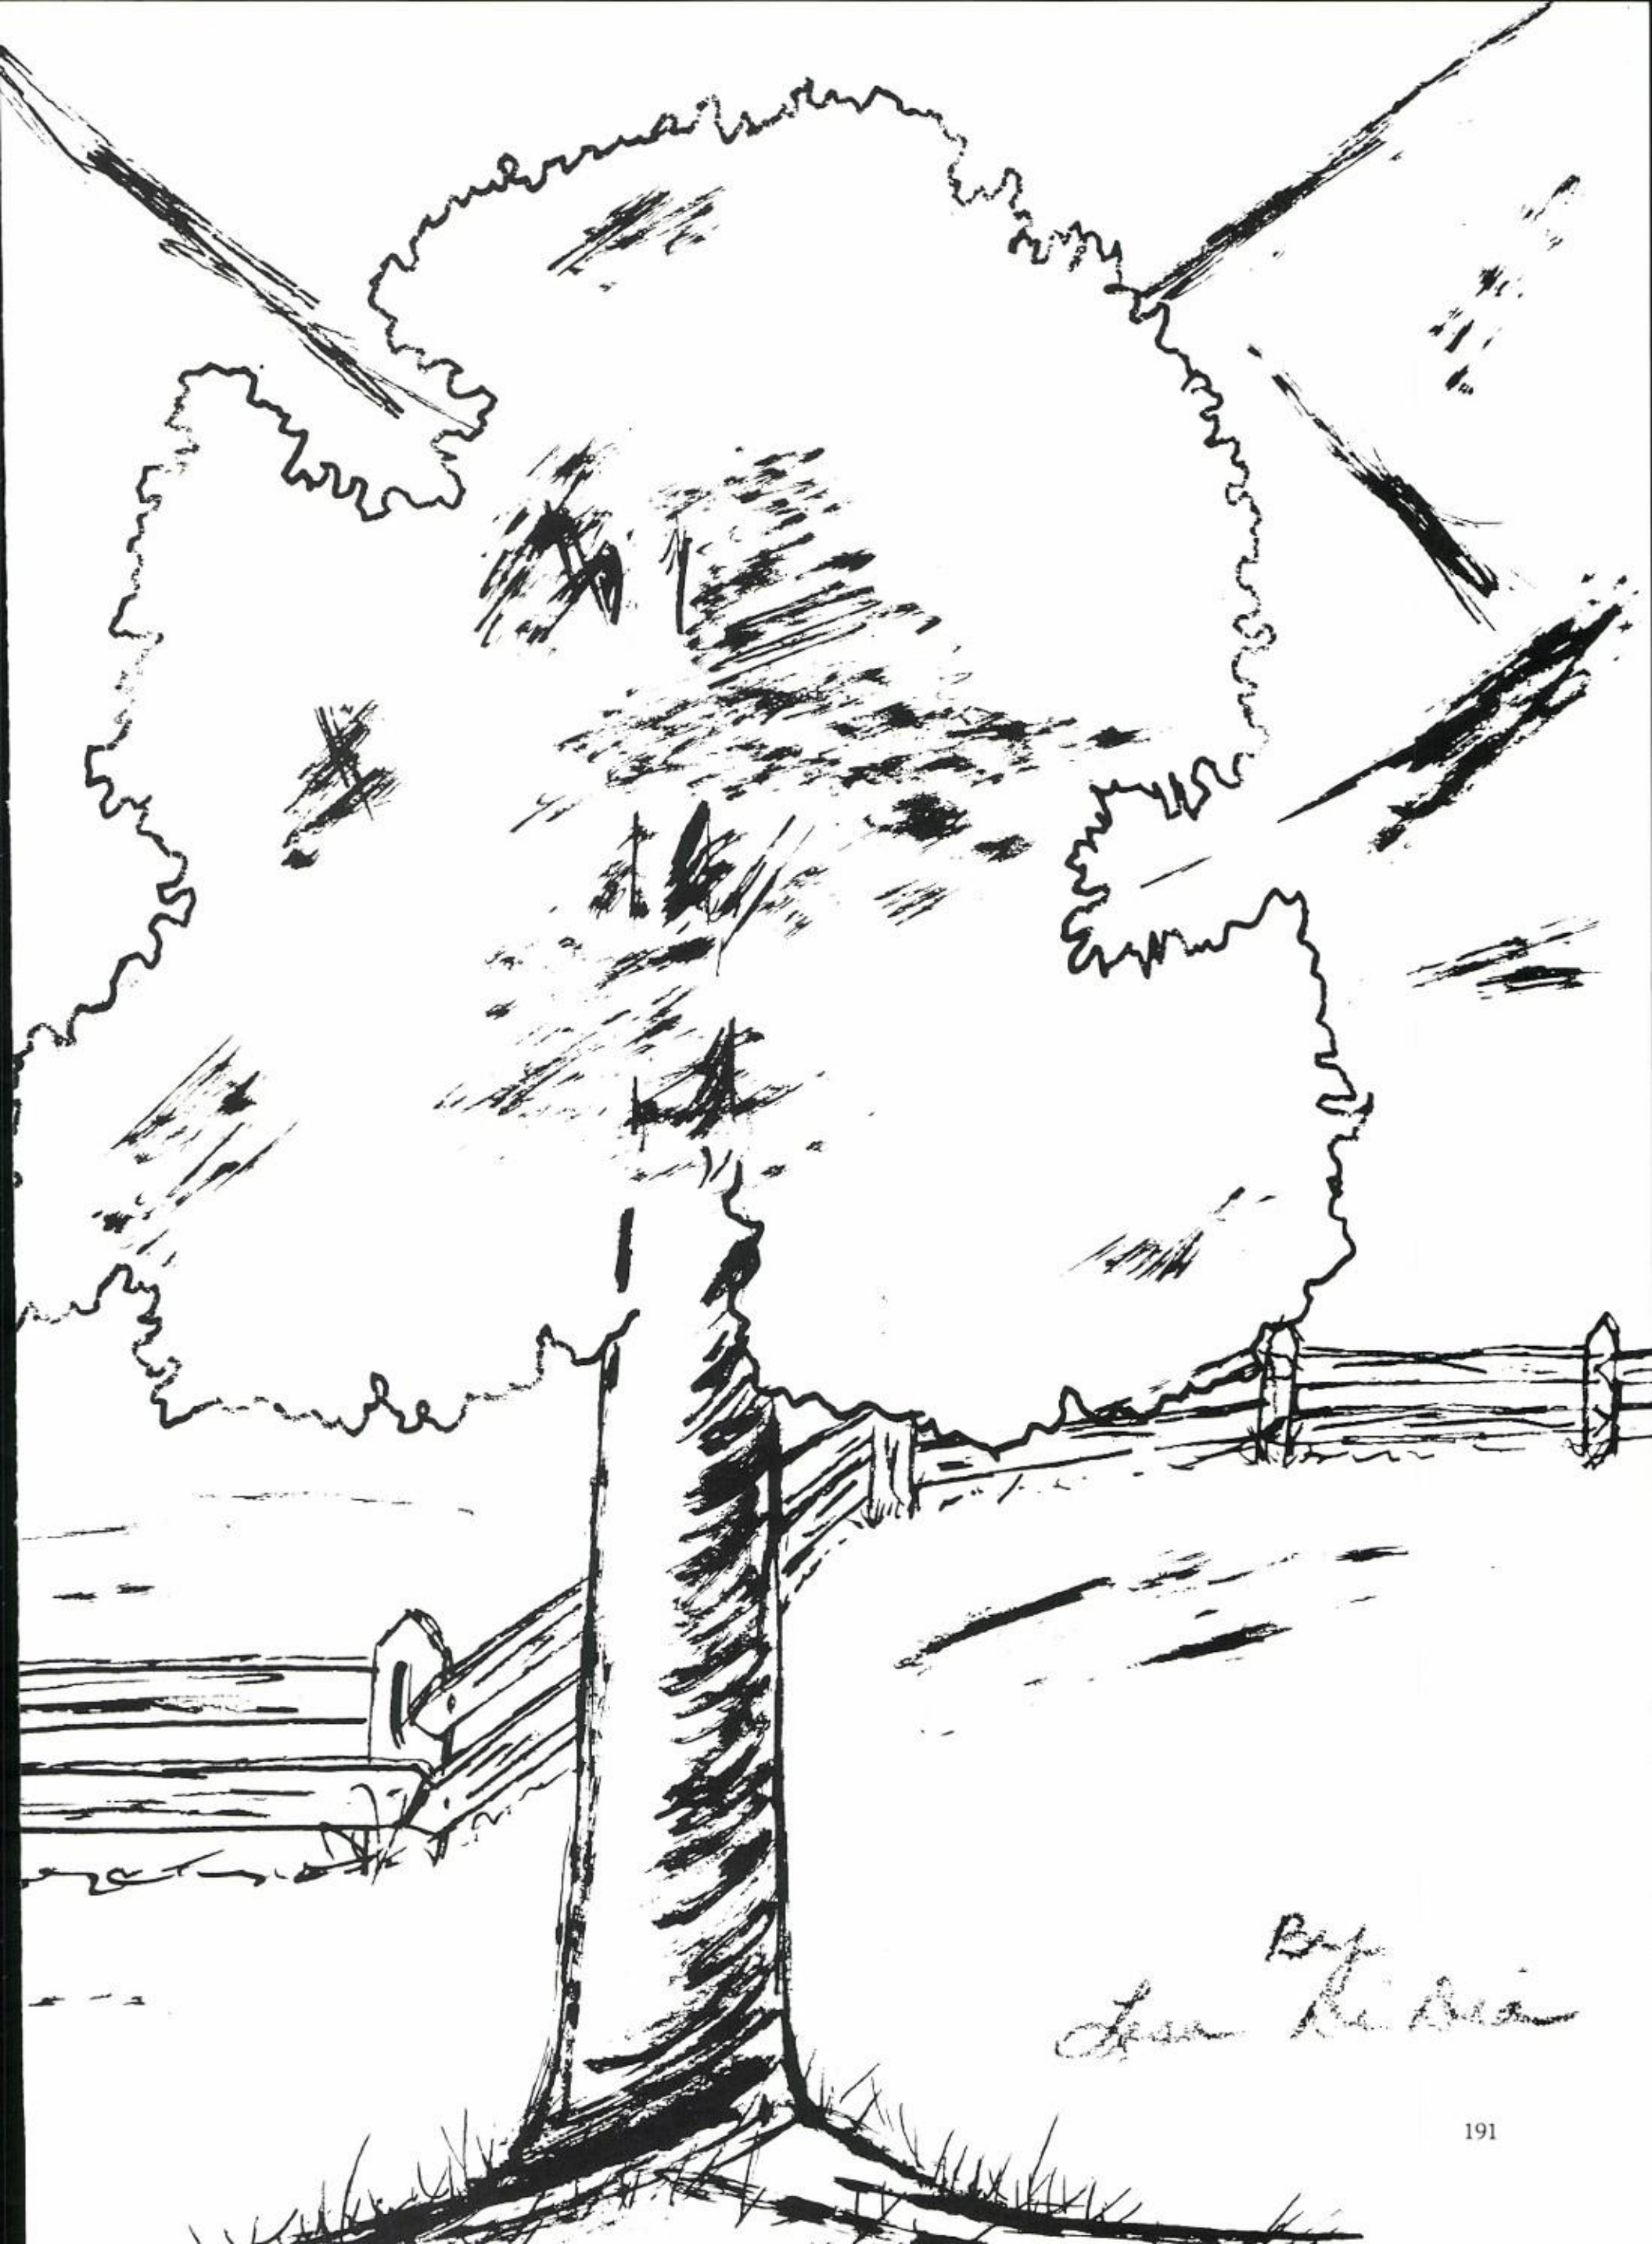

Honor Society

In tribute to scholarship, leadership service and character, South's Paul F. Lefever Chapter of the National Honor Society is a select group of Senior students that are elected by the school faculty. Only a handful of the student body receives the honor of this estimable award and it's well deserved. Nominations are based on grade averages, achievements, and contributions to the school community. Mrs. Helen Jones serves as advisor to the group whis is devoted to the school and community. Officers are Brenda Gallina, President; Debbie De Stasio, Treasurer; and Madelin Einbin-der, Secretary.

"Despite a rash of mid-season injuries and a predominance of underclassmen, this marked the first time any baseball team from Middletown had ever reached the State Final."

— Dennis Sasso

With the outlook for the 1979 season "cautiously optimistic", Coach Dennis Sasso combined an experienced group of Seniors with a large number of talented Juniors to produce the Shore Conference "A" Division North and Central Jersey Group IV Champion, Middletown High School South baseball team.

Behind the exceptional hitting of All Shore Sophomores John Johnson and Dave Lynch, in addition to the superb fielding of Juniors Jack Simons, Jeff Kunkel, John Kolacki, and Seniors Bill Josko, Doug Scales, George Haliotis and Pete Waldron, the Eagles were able to support the pitching performances of Brian O'Larte, Matt Lenzi, Mike Habberman, and the other South "spot" starters. The Eagles' strong bench, consisting of John Diodato, Boo Boo Bavaro, Lou DeMarco, and several others, also contributed greatly to South's 19-9 record.

The Eagles' season ended as they faced number one ranked Linden in the State Group IV Final at Mercer County College. Dave Lynch awed the crowd with a "booming" home run to support the outstanding pitching of Brian O'Larte and Matt Lenzi. Linden managed to score a run with two out in the tenth inning to edge South 2-1. A proud Eagle team left Mercer County College knowing full well that Middletown South had, once again, made Township history.

"We had a great defense. We were the best eight and nine team in the Shore Conference."

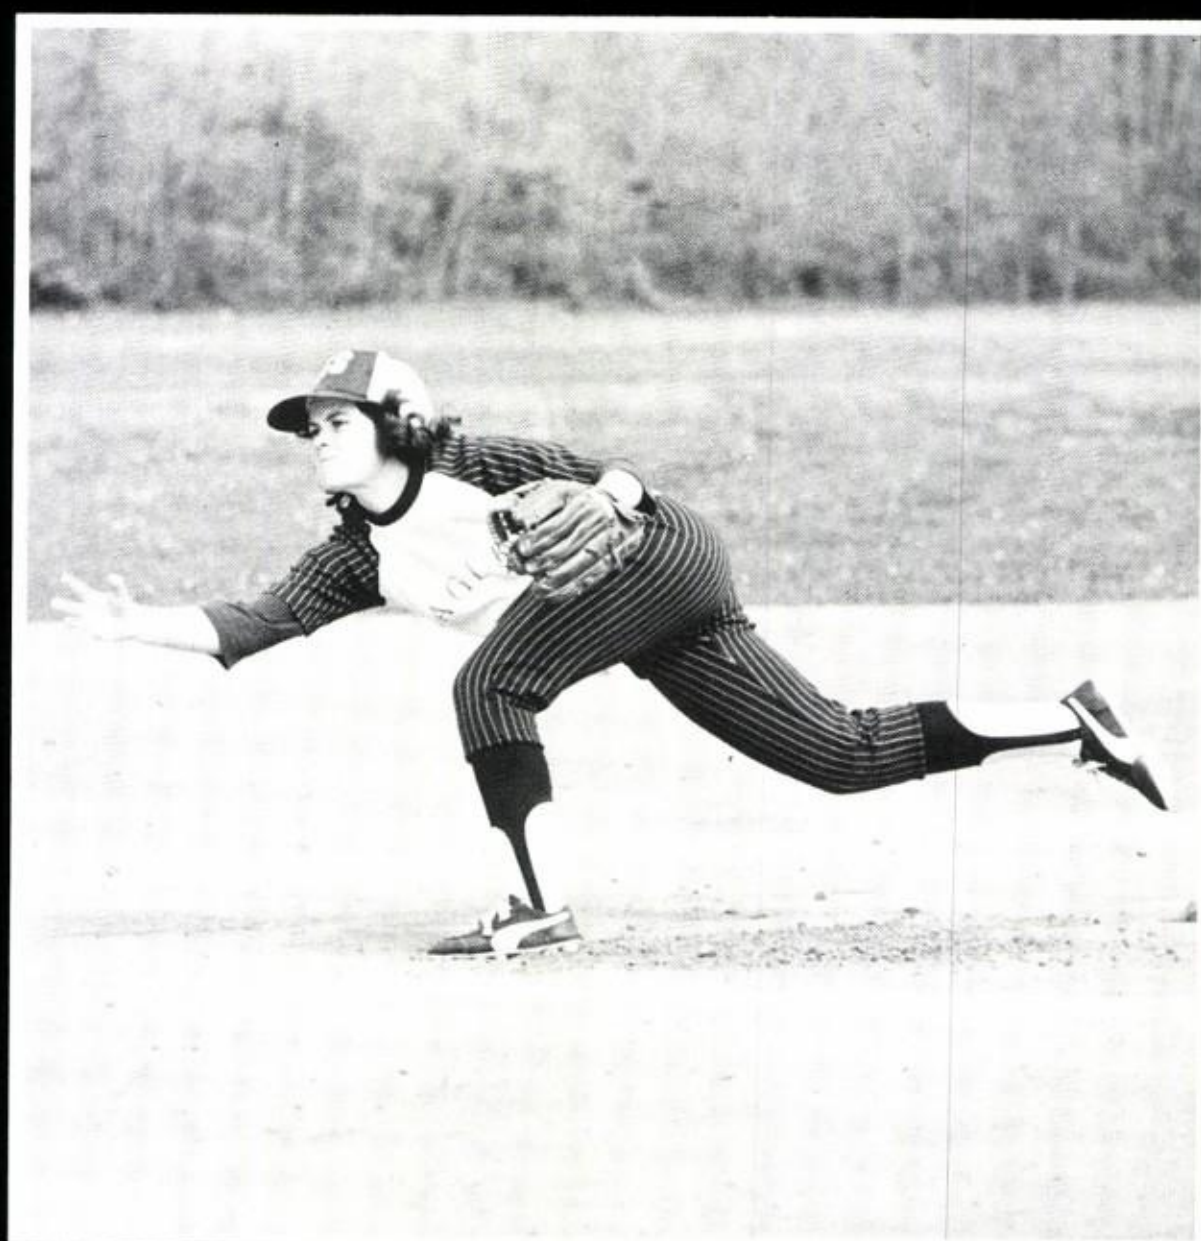

Tom McDermott

After the graduation of five starters from the 1978 championship team, the "very young" 1979 Eagles Girls' Softball Team found itself going through a rebuilding season. South's defense was outstanding throughout the season, which produced too few runs, to provide for an 8-9 record.

The Central Jersey Group IV Champion Spartans of Ocean fell to the Eagles 8-1 and arch rival Middletown North conceded to the South girls twice, to provide for the season's highlights. In addition, Holly Smith, Mary Gilligan and Darlene Maxson made first team All "A" Division Team. Darlene Maxson went on to become a member of the third team All Shore contingent.

"Success isn't measured in team records, but in the advances made by each individual."

— Lou Mazzi

Even though the Middletown South Girls' Track Team finished the season with a losing record, the achievements of the team were diversified and frequent.

Senior Cheryl Smack retained her State Championship in the shot put and established a new South record in the disc. Patti Gillen raced to a new two mile record for the Eagles. In addition to these three outstanding accomplishments, the girls' team managed to establish ten other school records.

As the end of the season approached, the Eagles Girls' Track Team won 18 medals while participating in 15 events at the Monmouth County Meet, with medals being issued to the first five places only. 1979 was surely a year of individual accomplishment for the Girls' Track Team.

Struggling through a rebuilding season with a definite lack of depth, the Middletown South Track Team posted a 3-7 record for the 1979 campaign.

Highlighted by a fourth consecutive victory over Middletown North, the Eagles managed a few surprises during the season. South placed fourth in the Shore Relays (of 17 teams) and broke the school record for the three man javelin team. Freshman Kevin Ryan was also a pleasant surprise, running extremely well as the anchor on the mile relay team.

Bob Lenczyk (middle distance) and Robert Meyer (pole vault) also provided South followers with many exciting moments at the track.

"We could have a winning season any year by playing 'push-overs'. We don't do that ... we challenge the toughest teams and we hold our own."

— Joe Eckart

A 7-9 record was only an indication of what a well-rounded team South had during the 1979 season. The boys played tough against the strongest opposition. When South did lose a match, it was usually by one point.

Middletown South's Tennis Team was invited to the State Tournament and gave State Champion Franklin Township a tough match before conceding.

The Eagles number one singles player, Mike Gasser, was invited to play in the Monmouth College Tournament and was not defeated until the final round. Later Mike was selected number one singles player on the All-Shore second team.

"Being able to play at Navesink Country Club was the greatest thing that happened to this team."

— Dave Abdella

With a new home established overlooking the Navesink River, the Eagle Golf Team efforts flourished as they never had in previous seasons. The only obstacle between South and an undefeated season were four match points over the entire season.

Placing first in the Shore Conference playoffs and second in the Monmouth County Tournament were certainly the highlights of the season. South also had the experience of finishing eighth in the district team tournament for State honors.

"Hi Diddle-dee-dee, an actor's life for me!"

— Walt Disney

To the beat of the band, South's actors marched triumphantly through the gala production of "Music Man". This charming musical set in a quaint mid-Western town in the early 1900's was vividly brought to life by director Laine Sutton and a cast of fine actors and actresses.

An additionally fine job was done by the many people working on the lighting, make-up, and costume designers. South's pit band accompanied the play with rhythm and "spunk".

Another form of theatre arts at South was the light and whimsical "Childrens' Theatre". The acting was superb in the presentation of "Hansel and Gretel". Those students not involved in the play entertained the elementary students as clowns before and after the performance.

The Eagles Marching Band had the honor of performing on the steps of the nation's capitol on Memorial Day, May 30, 1979, as the guests of Congressman James Howard. This inspirational event was the highlight of a three day "Spring Tour".

The band left South on Monday afternoon, May 28, 1979, and arrived at Doswell, Virginia in time to spend the first evening. After a hearty breakfast the next morning, the 100 member band took the 10 minute ride to "Kings Dominion Amusement Park", to participate in Middletown South Day. The band completed a marching tour of the park which enthused many spectators from the entire nation. Later in the afternoon, the South Jazz Band entertained on the main concourse in front of the one third replica of the Eiffel Tower. Later that evening the band was transported to Washington D.C.

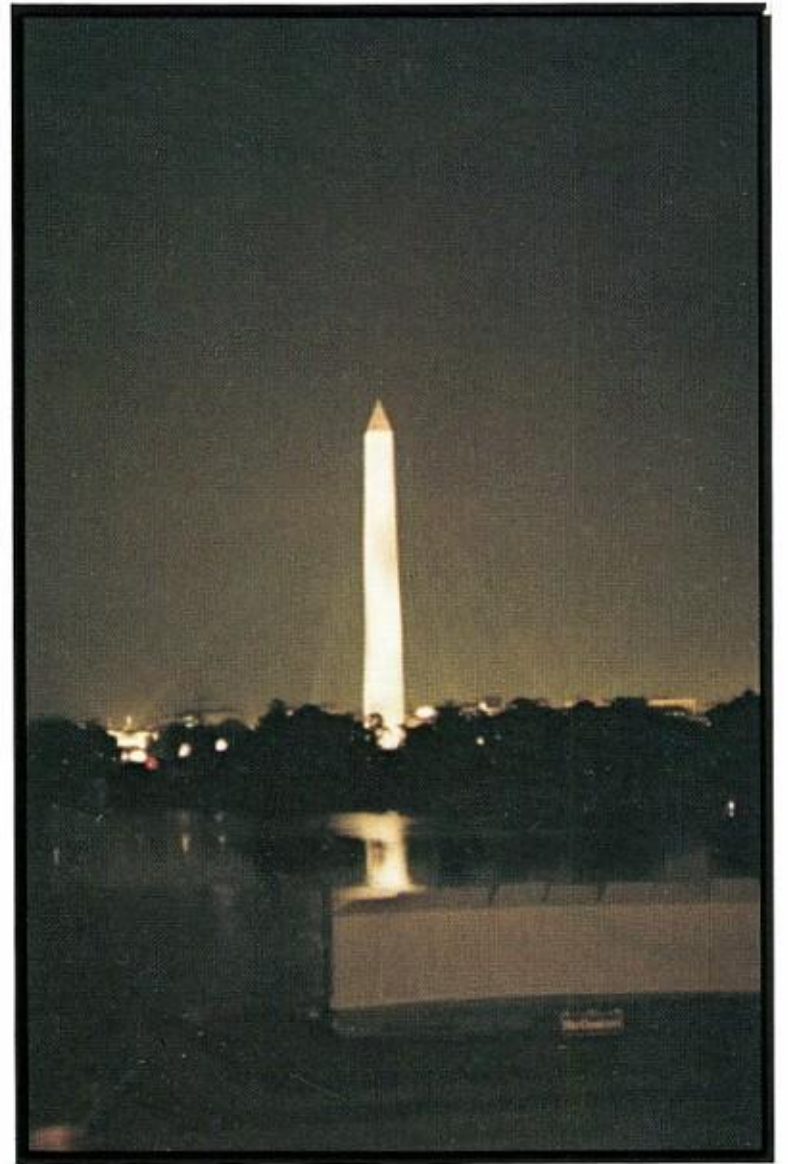

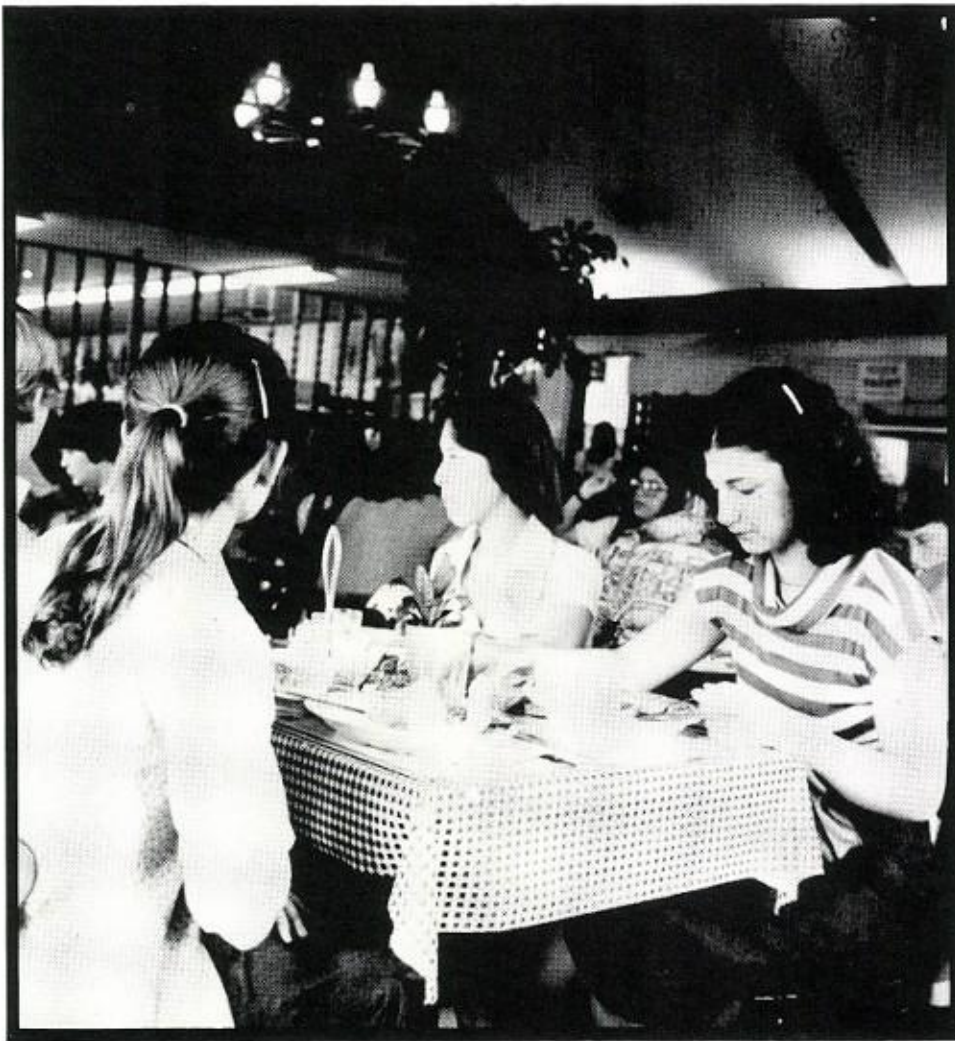

The next morning at 9 o'clock was the culmination of the musical tour — a concert on the steps of the capitol building. The band was greeted by James Howard, "Tip" O'Neil (Speaker of the House) and the press photographer for the Congress.

The South Marching Band enjoyed the three day tour and carried many lifetime memories home with them.

The Student Council of Middletown High School South presented its annual fashion show in the Spring of 1979. In presenting a wide variety of fashion, for all ages, the Student Council did a commendable job. Student Council members Pam Lilley and Pam Schultz were responsible for the soliciting of local Boutiques, warehouses, shops, and department stores for contributions to be presented during the show.

In addition to the fashions admired, the patrons of the evening enjoyed the company of friends as the Student Council raffled off a numerous amount of door prizes. Others sat back and enjoyed a leisurely game of cards while partaking of the excellent home made refreshments.

With the Girls' Gymnasium transformed into a panorama of suburban and city scenery, the Class of 1980 conducted its Junior Prom in splendid fashion.

Under the advisorship of Patricia McDermott and the aid of all Junior Class officers, in addition to the massive decorating committee, the evening was one which will remain a fond memory for those who attended.

Highlights of the evening included refreshment, the announcement of the Royal Court, and, of course, dancing until midnight. The Class of 1980 "... did have this night".

Finding a new and unusual school event is often a difficult thing to do as the year progresses. However, the Junior Class and the Yearbook Staff conducted the first annual Almost Anything Goes in the Middletown South gym. With teams representing the Sophomore, Junior, and Senior classes, in addition to a weak Faculty team, the evening was filled with hilarity and enjoyment for all.

The events included human wheelbarrels, trash can basketball, "limbo" skateboarding, hot wheel races, hula hoop relays, dolly pulling, three legged races, foul shooting, pyramid building, and a comical obstacle course. As the games progressed, the Class of '79 dominated to capture the first almost anything goes crown. It was a time when "almost anything went".

The Shreaton Gardens Motor Hotel provided a unique setting for Middletown High School South's 1979 Senior Ball. With the theme "We may never pass this way again" resounding throughout the minds of Seniors, the evening was spent consuming an excellent dinner, partaking of the variety of music provided, and enjoying friendships established over a three year period.

Several faculty chaperones and Senior Class Advisor, Florence Stein, were on hand to aid, the first class to attend South for three years, in making this a most memorable occasion.

The radiant summer evening of June 13, 1979, seemed only fitting as a natural send-off for the first class that attended Middletown South for three consecutive years.

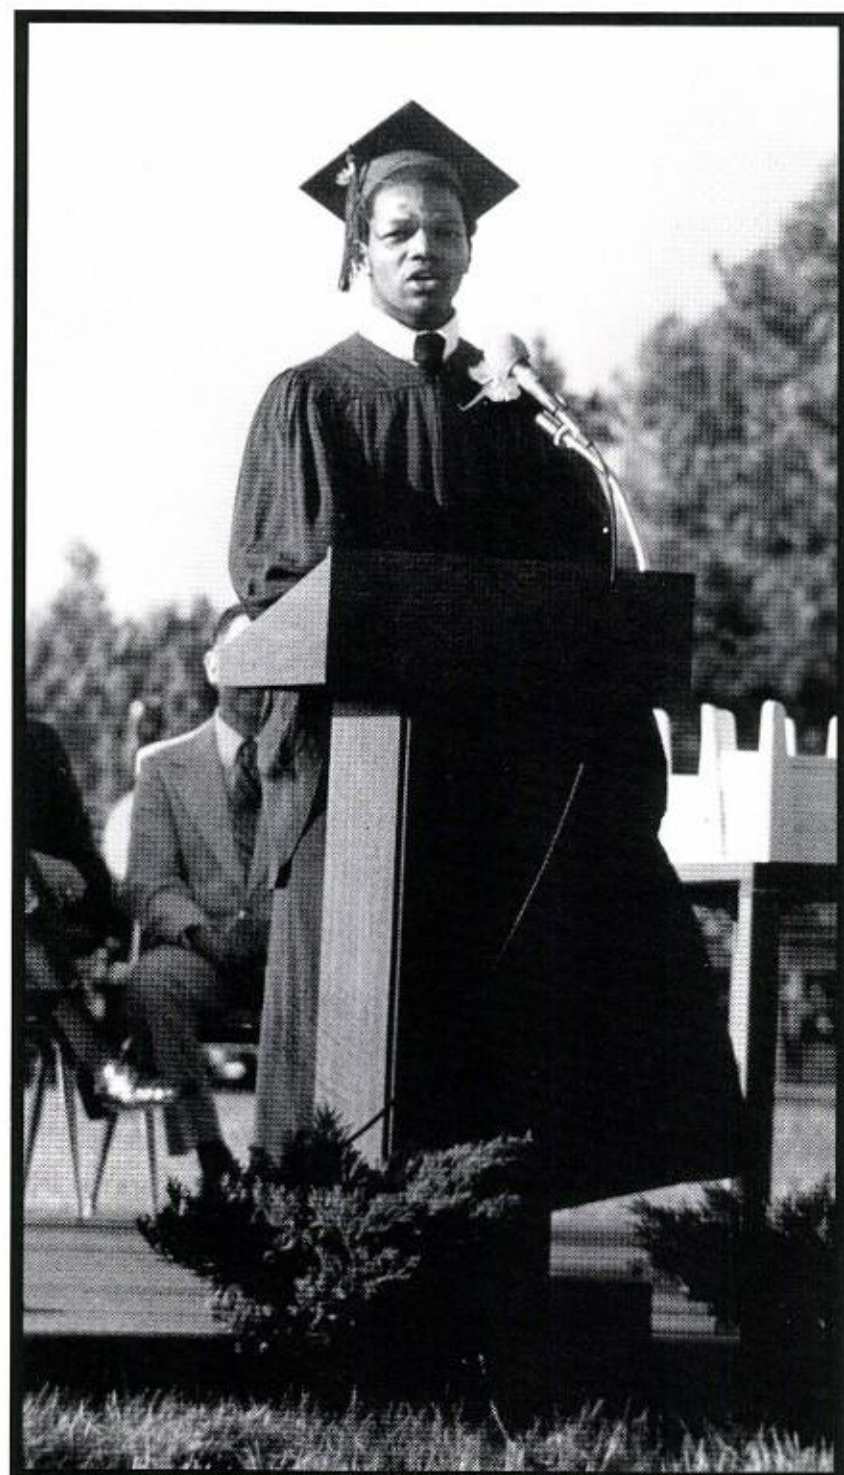

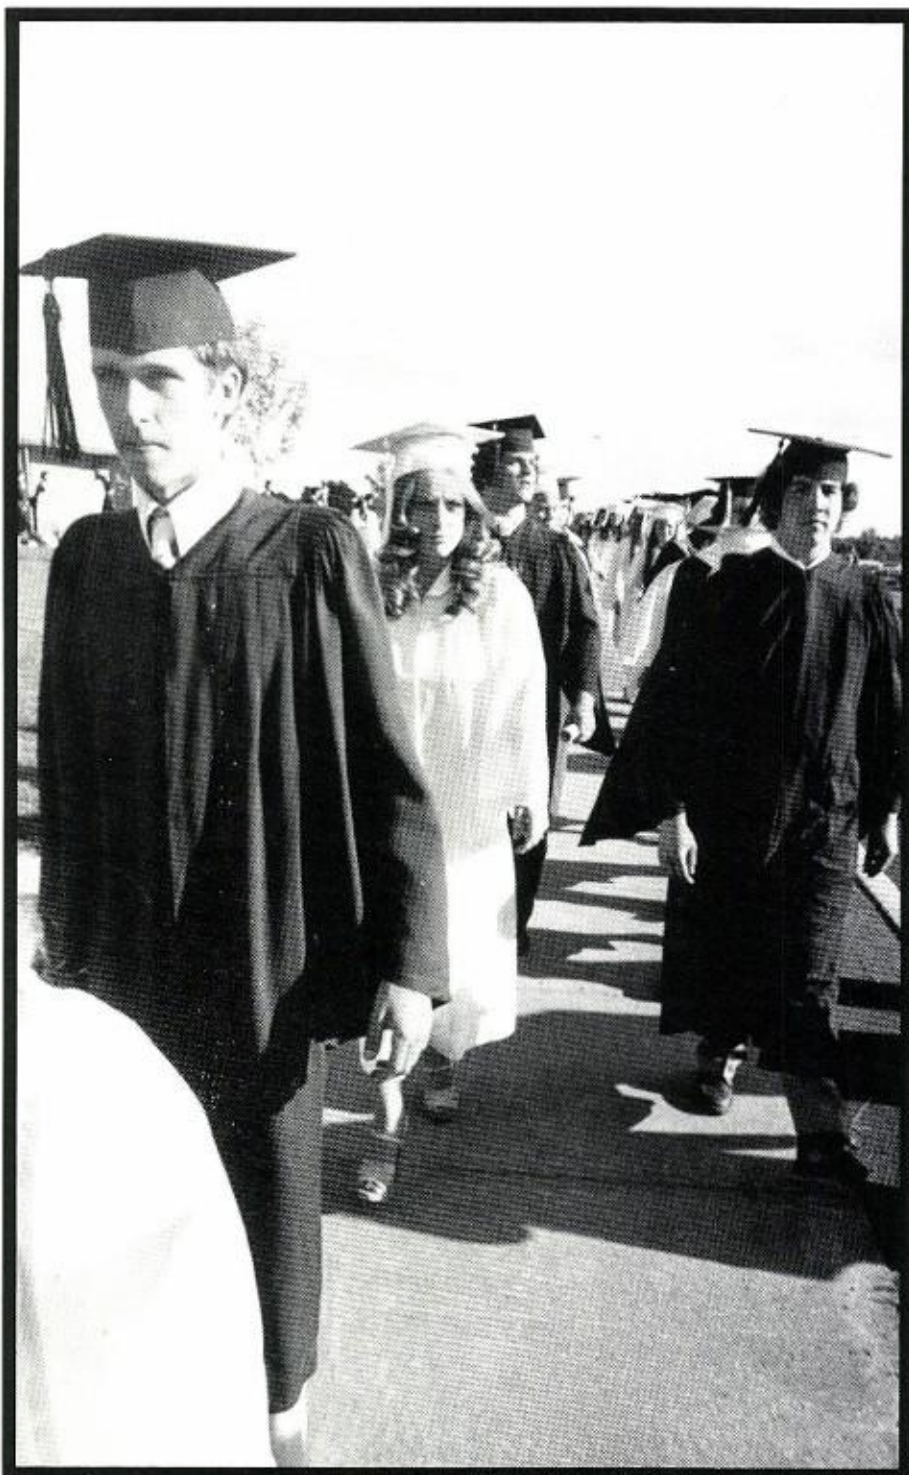

As the procession moved through the east and west goals of South's new football field, a capacity crowd acknowledged the Class of '79. The gathering was further excited by the pertinent "to the point" speeches of designated Seniors, the Board of Education President, Mr. O'Neill, the Superintendent of Schools, Dr. Schneider, and High School South Principal, Dennis Jackson.

The orchestra, conducted by Joe Lawlor, added the music to the evening with aid from South's choral groups directed by Richard Ludlum.
